## Help Wanted!

No experience necessary.  
Internet access required. I  
would like to start publishing  
a newsletter and set up a  
website which focuses on  
women, LGBTQ, and prisoner  
issues.

Additionally, this project may  
develop into a group or volunteer  
organization geared toward  
community activism and human  
rights advocacy, particularly  
for indigenous peoples, LGBTQ  
equality, prisoners, women &  
youth.

Applications, comments, ideas, &  
questions may be posted on-line  
or sent to:
