

Hebrews 13:1-3

let brotherly love continue. Do not forget to entertain strangers, for by so doing some have unwittingly entertained angels. Remember the prisoners as if chained with them *those who are mistreated* since you yourselves are in the body also. KJV

"The Invisible Mailman"

The strangest thing happened today, the invisible mailman came my way. He gave me something that wasn't quite there; that invisible envelope (w/receipt) that is transparent as air. So I open this nothing, this nothing so wide, and found even less inside. The balance wasn't decent at all; so clean in fact, it was so clean that it couldn't even be seen! But I'm writing you back on this you can bet; so thank you for the "Money Order" that I never did get! So here I am on lockdown it's true, but things could change, they always seem to do. Just think, I could be somewhere where life is so much more up-beat, and you could be here in my shoes factually innocent/wrongfully imprisoned expecting that same damned post conviction legal defense fund receipt...!

What love we've given, we'll have forever. What love we failed to give will be lost for eternity.

patiently, I await relief.
respectfully Submitted;

with love
