

"He who finds a wife, finds
what is good and
receives favor from the
LORD."

Proverbs 18:22

I'd very much like to
introduce to the world the
very woman JESUS created for
me to marry, respect, honor,
cherish and lead.

Interestingly enough,
I'd like to respond to the
brother who inquired about
my "knowing if my wife was
really created just for me?"

Honestly speaking bro...
I can sincerely tell you that
she and I from our very first
meeting one another, we talk-
ed about our getting married!
I can also say that I truly
love this woman with every-
thing that I'm made of, and I
am determined to grow in the
love I got for her everyday.
As a matter of fact, I was
just telling someone else
what it was that I cherish
about my woman, and one of
the things that come to my
mind right now is how she
always encourages me to be a
better man...

And that's something that I can't take away from her, becuz I know that she's confident in what exactly it is she wants and demands outta me being her man... but just keepin' it all the real with you brother, how can you argue with a woman about what it is she wants? All extraordinary women know exactly what characteristics they're lookin' for... and my advice to you bro. If your girl is everythang you say she is, then why not treat her accordingly? You said it yourself that she makes you a better man and that you know that she's the one for you! Listen, I ain't one to give advice on relationships but my woman makes me a better man on a daily basis so if my emotions are what I claim them to be, then I'm the problem... Right?

You are your own problem becuz you're listening to too much other stuff that appears to be outside you and your girls understanding, remember this... A circle can only be broken from the inside out, not the outside in. I have to say that Tikiya got me closer to JESUS CHRIST becuz she wanted HIM to be the head of her life, mines and our kids... and I thank the LORD for instilling HIS SPIRIT in her to be strong enough to plant the seeds of faith in me, she's fulfilling her wifely duties, I'm her responsibility as well as she is mines! I don't know about you but I don't wanna be alone, I need my woman!!!

Listen lil homey, a good woman who's GOD fearing helps a man in his everyday life becuz she gets so deep into his body, soul and spirit that she motivates him in his words, actions, and thoughts (and vice versa)

So yeah brother, me finding my wife was a beautiful thing, and I've gained GOD's favor. 1 Peter 3: 9 says dear Heavenly Father GOD may I speak blessings, that I may inherit a blessing and that's a key to being blessed. so instead of calling the woman everything but her government name, check yourself and and the attitude you brought in with you and speak blessings in her life.

Thank her for being a Proverbs 31:10-31 woman, Becuz as a man, I'mma become "one" with mines, so get your head together and become one with whats yours, I confess Psalm 128 over the household of me and my wife and I suggest you do the same. Man up or step down becuz you may be holding back somebody elses blessing... UNDERSTAND?

I pray that JESUS continues tobless all women and take them from strength to strength, from faith to faith & glory to glory... Amen

So I'll end this by admitting that I trust the woman that has come into my life to assist me with myself, she's not only my true love, she's my answer, the softer side of my war... Thank you JESUS for my sugarbaby... Tikiya Austin

I love you always,
Marcus
