MATTHEW JANKOWICZ

THIS IS MY 2ND BLOG POST. A FRIEND OF MINE IS IN A WHEELCHAIR HERE IN PRISON BECAUSE OF HIS BACK. THE DOCTORS STOPPED ALL HIS PAIN MEDICINE - COULD TURKEY. HE WAS RECEIVING 90 MG OF MORPHINE + 1800 MG OF NEURONTIN A DAY. HE'S GOING THRU WITHDRAW SYMPTOMS RIGHT NOW & IS IN A LOT OF PAIN. THE DOCTORS HERE DON'T CARE ABOUT US, THAT'S WHY THE CA. INMATES HERE JUST WON A LAWSUIT/DECISION AGAINST CDC FOR "TERIBLE MEDICAL CARE DUE TO OVERCROWDING," AT THE U.S. SUPREME COURT - THE DECISION WAS 5 TO 4. THE FEDS HAVE ORDERED THE CA. PRISONS TO RELEASE UP TO 47,000 INMATES WITHIN THE NEXT 2 YEARS. IF THEY DON'T THE FEDS WILL TAKE OVER OUR PRISONS - LIKE THEY DID IN TEXAS & NEW YORK. IF THE FEDS TAKE OVER, I MIGHT HAVE A CHANCE TO GET OUT EARLY - IF THEY DON'T, I MIGHT NOT. WITH MY LUCK. FEEL FREE TO WRITE ME OR MAKE COMMENTS.
