

"My History Before Incarceration" 5-12-11  
I live as a "Woman" 24/7. I had two jobs (1) Full-time  
one at "The Hilton Hotel" as a receptionist (2) Part-  
time at Sam's Club Warehouse. The money was  
great, I don't have any children so I enjoyed  
myself.

I started out with a nice three bedroom  
apartment. I lived in it about three years  
to save up my money. The fourth year I bought  
a three bedroom Home in Carrollwood, Florida  
it was Brick Red in White.

Mind you I've been living this Alternative  
Lifestyle for twenty-two years now. And I  
wouldn't change it for the "World". This is who  
I am.

I've had several boyfriends in my past. When I  
was working on building my life. Then I met  
a man name [REDACTED] B.K.A. Big  
Will. Born [REDACTED] 1969. We hit it off from  
jump.

We dated for three in half years straight.  
Getting to know each other. The four year.  
He came to my job. The Hilton Hotel and  
proposed to me with A Wedding Ring, I  
said yes, because, I Loved this man  
I bought Him a Wedding Ring, too.

So we had a Private Wedding in the Virgin  
Islands on a huge boat out in the water  
with Delicious Food in Red wine and, a  
Preacher. I wanted it that way. I don't like  
the Attention. He agreed. When we got back  
home. He threw a Big Reception. at this place  
called the Orange Blossom. it's an  
expensive "Dance Hall"

We had a DJ (Live one) He charged by the hour, Food, Drinks Red Velvet "Wedding Cake" 5 tiers Vanilla Ice cream. It was a Beautiful setting, with tons of people. His Family and, Mine, plus Friends. We stayed married five years From February 18, 1996 to February 18, 2000. He brought it to an end staying out all night. Lying to me about His whereabouts. I never caught Him cheating on me. But, I knew something was going on. He was faithful at first the whole nine yards, then He changed.

I was Loyal the whole six in half years we were in a relationship.

I thought He wanted "us" forever boy was I wrong. I own Four cars three I bought Honda Accord, Toyota Corolla, Nissan Sentra, one My Father bought the Jaguar (old model).

My Lifestyle is very expensive but, I could afford it. He worked three jobs and, His Parents are rich. They spoiled me rotten at the time. And After our Marriage.

After He finally gave me the Divorce in March 21, 2001. I had a Nervous Breakdown. I couldn't take that. I didn't want to let go.

I couldn't eat, sleep, think etc. He asked me to Marry Him. I did because, I thought He wanted it Forever.

But, He was Confused. It's sad now that I think about it. I realize I'm innocent in this matter. I've learned something from this. It Doesn't matter how Loyal or Real you are with a Human Being they will hurt you and, Walk out of your life.

And, I will never get married again to Nobody. One time is enough for me. I love to hard.

And, I'm a unique Person. When my marriage ended this led me to a life of crime It's not something, I'm proud about but, it's The Truth.

If anyone of you Has been down this Road Contact me A.S.A.P.

I'm open for any opinions or Comments.
