A Leader is Very Brave.

He will lead His people out of a Cave.

A Leader has a strong Will.

And if pushed can Kill.

A Leader has Power.

He'll stand next to any tower.

A Leader Will not Fall.

At the throw of a Ball.

A Leader Does protect His Space.

In any given place.

A Leader can control the Ship.

Plus Drink a Sip.

A Leader can run His Home.

And go represent the Dome.

A Leader is Large.

Plus Very in Charge.

A Leader will make a Stand.

With only one Command.

A Leader knows what's at stake.

So He'll Do whatever it take.

A Leader will always Do the right thing.

Because He knows what it will bring.

A Leader is someone with a Brain.

Even if Driving in the Rain.
