Dear Greeneyes,

I just want to say that your comment has found me in good health and best of spirits. It's always a pleasure and a blessing to be able to hear such encouraging words from others on the outside or from beyond the horizon.

As you have suggested in your comment I'll keep on praying because yes, prayer does work and we can never lack in praying as we'll fall apart without it.

Hoping that you and your family are good and happy as God ~~watch~~ watches over each and ~~of~~ everyone of you. Stay strong and never hesitate to reach out because there are some who don't mind lending an ear. Always SMILE because you'll live longer and bring joy to your heart.

May God bless you and your family each day He allows you to start anew and breath that fresh breath of ~~the~~ air.

Peace,
Lorenzo Gomez Jr.
