"If you've not experienced an orgasm, you've not experienced life."

You don't have to sculpt yourself into societies image of correctness. You must satisfy yourself in order to be yourself.

Those who put a leash on their desires become frustrated, bitter, irritable... and that's not who they really are. However, one should never harm another in satisfying their wants and desires.

I ask only that you be yourself in writing me. I'm open minded and not easily offended.

Yes, my PEN PAL front page is hand drawn, (except the photo).

I usually draw when I have good tattoo magazines. So far I've only seen USA magazines, but I hear Europe has better mags. TRUE or FALSE?

"Reach for the stars,  
You'll NEVER get what  
you don't try for!"

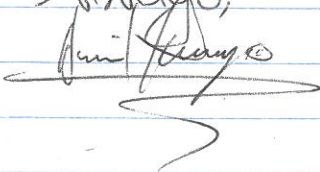

I'm 5'3", 140 lbs, Mexican, French,  
and German, physicaly fit, tattooed and  
adventurous.

For those of you SEEKING PRISON  
STORIES, say so and I'll share, but it  
goes both ways. I want to know about  
you, too.

Mainly, I'm lonely and have BEEN  
IN PRISON 12 1/2 years for ROBBERIES.  
I don't know how to ask a woman out,  
but know how to satisfy all woman's needs.  
I always put women's needs before  
MINE, EVERY little detail counts.

You'll NEVER KNOW IF WE ARE GOOD FOR  
EACH OTHER UNLESS YOU CONTACT ME.
