

## Times getting hard

Yeah true indeed everyone to some degree have responsibilities to a certain degree and I always wonder is everything gonna turn out to be alright? OR should we prepare our'selves For the unexpected worst conditions.

Never the less with Property tax, mortgage, Food items, clothes, bills, medication etc, makes you'd wonder how can anyone pay For all these things when there's hardly any jobs, know money to be made especially with the economy in bad shape,

I always wonder is there a solution to Fixing these serious problems we'd human beings Faced to Faced wit each day
