

## Isolated consequences

See what I did there? It's called "synthesise", or "crystallize" I wanted to add; "unintended incidences", but that was too much.

"Dominant, liberal-establishment, mass-media." That's what Mike Rosen of SSJ-KOT would have us say rather than "mainstream media". Can you believe that? I'll stick with "onestream" media.

Someone needs to tell Mr. Rosen to get re-acquainted with the "cough-button" (we don't need to hear everything that comes out of your mouth Rosey!)

"So, this (Afghanistan) war has changed in the last nine years."

Barack Obama, pres. candidate

So, how exactly has this war changed Mr. President?

Is that why you are preparing to cut and run from Afghanistan? Let me guess, your deadline for having "all" troops out of Afghanistan is August 31st? What's your obsession with August 31st?
