

To whom it may concern:

Yes the world didn't come to an end like some expected
So how did you respond?

Here people were on pins & needles, but that all changed
by high noon & people were back 2 wickedness.

Meanwhile I have nothing bad to say about "Henry". It is
2 failed predictions further prove the fact of the
matter as told by Jesus Himself (who can't lie). Matthew
24 verses 42-44 & Matthew 25:13 clearly convey the
message that NO MAN (or woman for that matter) knows the
exact date & time of Jesus return. Amen.

Through it all let's us stay in remembrance that the
world one day does have to come to an end. Even science
agrees!

Being the case the most loving encouragement I can
give you is to accept Jesus Christ into your life. Amen.

Live for Him. Smile keep in mind it's ~~about~~ about a
relationship not ~~a~~ religion. Can be summed up in the
following question -> How does my behavior/heart relate to
Jesus? Yes we can & should be relating to God like
we do with our parents, spouses, kids, co-workers etc...
that includes obedience & do things for Him. things that
will bring a smile on His face & joy in His heart. Figuratively
speaking of course -> learn what Jesus would do - then do
it. Matthew 5:38-48

Remember it's either Heaven or Hell when it's all over.
Hey did you know that God isn't out to hurt you - ~~lamentations~~
Lamentations 3:33-36. Did you know that Heaven was

created for you even before the earth was created Matthew
25:34. Did you know Hell was created for Satan & his
angels (Matthew 25:41) not you & I praise God.

To those w/ preconceived notions about God. Get to know Him 1st, then make your conclusion. If you hate when people judge you by your career or numbers/gossip how do you think God feels when you do it to Him?

Exactly.

Please read the Bible for your self - don't take my word or some body else's word for it. Please. I love you enough to not manipulate you - Promise

If you have any questions about God - please do not hesitate to ask: - w/ the Bible -

I leave you with the words God spoke to me on July 30, 2003

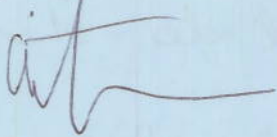

"Trust me (GOD) & you'll be alright"

Amen

God bless the God in you. Smote

Amen.
