JOKES... (MAKIM AUGUST 2010)

Joke of the month --- A man comes out of a bar and hears a woman cry from a dark area in the parking lot; "Twenty Dollars". Feeling frisky, he goes for it. A little while into his getting his groove on, a policeman is and shines his patrol car headlights right on the two humpin away. The cop yells, "Hey! What are you doing?" And the man yells back, "Having sex w/ my wife!" The policeman says, "Sorry, I didn't know!" And the man replies, "Neither did I till you turned on your headlights" MATTHEW R.

Church pew --- An elderly couple is attending church services. About halfway through the sermon, the man writes a note and hands it to his wife. It says, "I just let out a silent fart. What do you think I should do?" She scribbles back, "Put a new battery in your hearing aid" Frank MURR.

Techno fifty --- A guy's friend comes to visit his office. And says, "That secretary is hot!" She's actually a robot. If you squeeze her left tit, she takes dictation. If you squeeze her right tit, she types a letter. And that's not all — she can have sex. Give it a try! So the friend takes her into the rest room. Suddenly, screaming erupts from the stall. The guy says, "Shit! I forgot to tell him her ass is a pencil sharpener!"

The comfort of God is hard enough to find for the righteous, thus how can we expect to force our own desires for spiritual release on errant men who don't want any such thing? forcing bibles upon our captives will not correct them. We must correct themselves through struggle and self-challenge. We must give them not preachers and exhortations, but formidable opportunities to develop virtue and their God-given strength of character.

We must find and seek a common language w/ our charges. The foremost desire in a prisoners mind is to escape. In actual fact, a prisoners desire to escape should not be suppressed by us, but discuss and explore

Scripture Reading: Romans 13:8-14 "Pay all your debts except the debt of love for others — never finish paying that! For if you love them, you will be obeying all of God's laws; fulfilling all his requirements. If you love your neighbor as much as you love yourself you will not want to harm or cheat him, or kill him or steal from him. And you won't sin with his wife, or want what is his; or do whatever (and that's) else the ten commandments say is wrong. All ten are wrapped up in this one, to love your neighbor as you love yourself. Love does no wrong to any one. That's why it fully satisfies all of God's requirements. It is the only law you need. Another reason for right living is this: You know how late it is; time is running out. Wake up, for the coming of the Lord is nearer now than when we first believed. The night is far gone, the day of His return will soon be here. So quit the evil deeds of darkness and put on the armour of right living, as we who live in the daylight should! Be decent and true in everything you do so that all can approve your behavior. Don't spend your time in wild parties and getting drunk, or in adultery and lust, or fighting, or jealousy. But ASK the Lord Jesus Christ to help you live as you should, and don't make plans to enjoy evil."
