

"NIGGATRICKS"

I hate a Nigga!

Always trying to get over on somebody,
Slick talking hip walking, pants damn near on the
ground

I hate a Nigga!

Thinking he fly calling women bitches & hoes,
with them anything goes, pure chaos when they
come around

I hate a Nigga!

Cause he aint no G like me,
with principles and will always take a stand

I hate a Nigga!

For a lot of reasons, B.U.T. most of all is,
because he's scared to be a Man!
