

## "ANGEL"

Angel is someone God SENT.  
 And, their time is Well SPENT.  
 Angel is someone I found.  
 Here on solid Ground.  
 Angel is you that kind?  
 You must have a strong Mind.  
 Angel Will you plant the seed?  
 And, comfort me in the time of Need.  
 Angel I Need all of your Time.  
 When I'm surrounded by Slime.  
 Angel I want you to take a Stand.  
 And, heal this Land.  
 Angel I Need your Love.  
 Just like a precious Dove.  
 Angel Will you be True?  
 When I'm feeling Blue.  
 Angel Protect me From my Sin.  
 So I can learn how to Win.  
 Angel I Need a Friend.  
 To the Very End.
