... JUNE 19, 2011 ...

BTB UNIVERSE,

Hello and before I forget, Happy Fathers Day! And if you're from the state of TEXAS, Happy Juneteenth! It's a holiday that's celebrated, because it was the day slavery was terminated in this state, which happened to be the (last) state to end slavery. Anyways, I know that this'll be late, but do forgive me. I just got out of the shower and cutting my hair, now I'm ready for the men! I was told that it was fairly big. As you can tell, I ♥ 2 - ent! I don't gain too much weight, (175 to 177 lbs.) at the most. I workout a lot, very athletic, so I guess that's it. If you're reading this blog, I'd like to hear from you guys, letting me in on what kind of gifts did you receive and send pics if you got them.

Some guys and women don't realize how big of a blessing it is to have kids to be a father or mother. Losing my son & daughter made me hate Fathers Day, until I read the story of, (JOB) myself, then finding out that I may have other children, he takes to test your faith in his works, to give back more than he gave to you from the start, if you are a true believer in what transpired at that cross, and I am! I'll be posting more later this week. Take care and God Bless!!!

## Free Them

Constant words of wisdom from a wise man  
 That the ignorant can grasp, but refuse too  
 A plan to overcome and break free  
 Separating all that we are from despicability  
 Surviving destitution, prostitution and evolutionary thoughts  
 Queens being raped in fields and kings being traded or bought  
 Sometimes by our own peers, yeah!, yours and mine  
 Ancestral ties still hold us prisoners of greed and why?  
 Man that's cold, how 400+ years can hand cuff a soul  
 See we all were given a key at birth and I choose to use mine, Now!  
 I've fallen a few times, but never too far out of time, Now!  
 Coined names and numbers and they think they really know you  
 2D slices short of a loaf, settling for crumbs, dumb donkey exposure  
EQUALITY, ONE word, my definition for closure!

\*\* To get more of my poems go online to the (Library of Poetry) in Dwings Mills Maryland and request the book, "Journey Into Infinity" published in 1999. if you are lucky enough to get a copy, send me one, because I never got to see it.
