

## "STEREOTYPE"

This has been in my HEART a long time now and, I want to share it with the WORLD Today. Why is it Men can sleep with a bunch of Women and, He's called a Player or Pimp?

When a Woman commit this same "ACT" she called a Slut or a prostitute. They took a Rib from a Man and, formed a Woman so Man was on Planet EARTH First According to Biblical Terms. When I was young and, single, I use to DATE Different Men I had one Seven Days A Week. Neither one of them knew each other.

I think everyone has been promiscuous at one point in their Life. When I got older I let it ALL GO I got Married. Men Are Wild they like to Crash and, Bash things. I think it's Kind of "Cute" when they loose their cool. Men are Rough. I believe their born this way. One thing I will not tolerate them hitting Women. That's insane leave "HER" before you go down that Road. And, besides We ALL came From a Woman. HER Actions sometimes may be "Outrageous" but, she is precious. Why do you feel Women sleep with a bunch of Men-or-Women? Is it For Money, Attention, Revenge etc? The same Question for "MEN" TOO. IT'S A Reason. I WANT TO KNOW THAT'S ALL THESE ARE MY FEELING ON THIS TOPIC. MEN AND WOMEN Learn to Love yourself First Everything Else will take care of ITSELF. AND WE ARE ALL EQUAL Nobody's BETTER Believe That. # "TRUST"

Trust is something I Believe.  
 in order to Achieve.  
 Trust is not a Conviction.  
 It's a real Recognition.  
 Trust is something we ALL NEED.  
 When we is running out of Speed.  
 Trust is my Obligation.  
 And, I follow it with Regulation.  
 Trust is for people with Reliance.  
 But, they must be focused and, have Balance.  
 Trust is something we Expect.  
 so please never Reject.  
 Trust is our Responsibility.  
 Believe me there's no need for Hostility.  
 Trust is Assurance.  
 So we must never give up endurance.  
 Trust come in Time.  
 Not at the drop of a Dime.  
 Trust is something we EARN.  
 SO I Really want to Learn.  
 Trust is hard to Find.  
 When Mankind is walking Blind.  
 Trust is a form of Hope.  
 Should we pray to the Pope?

Michael Jordan (MJ)

July 1, 2011

I never paid much attention to what my Father said that day - until now. I think my Father saw some things in me that I couldn't see in myself. MJ Team was formerly Chicago Bulls Jersey #23 after His Father died <sup>HE</sup> changed it to #45 His baseball number, He started out with #45 As a kid in baseball.

In the years between 1989-1993 I became a Man. I found my wife, had three beautiful children won three NBA Championships, lost my Father, and walked away from the game I Love. MJ got a Hugh Trophy Room in His Home with thousand of them in it.

From 1985-1998 EJ called and told MJ, He was H.I.V. Positive back then. MJ said Earvin Johnson (EJ) was very Optimistic about His situation they were close Friends. During His Mother's Pregnancy with Him. His Mother's Mother died unexpectedly. According to my Father there was a near miscarriage and, was some question as to whether He would make it or not.

When His First "son" was born, I felt like I became a Man in a Sense. She and MJ were married before the 1989-90 season in the Little White Chapel in Las Vegas in Front of a Few Friends. MJ and His Father looked like identical twins to me. His Father Death ended one of the most successful and, Difficult periods of His Life. He was my Best friend and He knew everything about me. My Father considered He play baseball on the side. He was thinking about leaving basketball As far back as 1991. His Former baseball team was the White Sox →

Everytime He thought about baseball, His mind went back to His Father who wanted Him to play. GAME 6 of The Finals Against Seattle they won on Father's Day as a Tribute to His Father. I had come back without Him.

The money never had anything to do with Him playing Basketball. MJ the Superstar basketball player. Who did all kinds of endorsements deals. When He was a kid He always liked to dress up on Sundays. His Brothers and Sisters wanted to wear Jeans. But He wore a Coat and tie. He went to College before His Career. In North Carolina. He says College is very important to be successful, In the NBA. I have His Book called "For The Love of The Game". His Life story by MJ. My statement The best there ever was. The best there ever will be. MJ has His own Clothing Line Hoodies Tee-shirts Shoes Air Jordan and basketballs with His autograph on it.

He won A Gold Medal in <sup>the</sup> 1984 GAMES in Barcelona Olympics Overseas. MJ still attend the Chicago Bulls Team Games today to support the younger team players in the NBA Now. MJ is a inspiration to people all over the World. A Warm-Hearted MAN. He ain't with His wife today. I heard He's with A New chick "No" Name REVEALED AT THIS TIME. HE'S THE BEST that EVER DONE it in the "NBA". I realize it was others before HIS Time. BUT HE IS MY MAN. I will take a DARK-CHOCOLATE MAN →

Anyday. MJ is a Living Legend IN My  
Eyes. Always Remember it takes  
a "REAL MAN" to Complete a Job.  
MJ is            The ONE 6-Foot-6 With  
an ALL-STAR GAME.

HE'S SEXY TO ME!

Enough SAID!
