

# Believe ME (Poem)

I know My life has been A lie  
Iv Been A LIAR all My life.

I know The how And Not The why  
I want To score The Perfect Ten  
Iv Been A LIAR All My life.

I want The What but not the When  
I Think The Theme But Not The  
Thought Iv Been A LIAR All  
My life I Think The Thing but  
not the ought I Need The Where  
but not The Who Iv Been A  
LIAR All My life.

I need To Stick To you like  
Glue, I wish The kiss but not  
The kill Iv Been A LIAR All  
My life I wish The Which But  
not The Will I dream The  
dream but not The deed  
I seek The Strive But Not  
The Strife, I know The  
Code. I feel The need  
Iv Been A LIAR All My  
life.
