MATTHEW JANKOWICZ  
MULE CREEK STATE PRISON

IN MY LAST BLOG I MENTIONED MY 1ST PRISON CELL I WAS IN. I'LL LIKE TO MENTION A COUPLE OF MORE THINGS ABOUT THAT CELL. I LOVED THERE DURING THE SUMMER - SO THE CELL WAS VERY HOT ESPECIALLY IN THE AFTERNOON & EVENING HOURS WHEN THE SUN DIRECTLY HIT MY CELL WINDOW. I HAD NO FAN, NO A.C. & THE TEMPERATURE SOARED WAY ABOVE 100°F - SO I WAS SWEATING ALL DAY & NIGHT - VERY HARD TO EVER SLEEP. REMEMBER THAT IS THE 1ST TIME I'VE EVER BEEN IN A PRISON CELL IN MY LIFE - SO IT DEFINITELY WASN'T A PLEASANT EXPERIENCE. ONE POSITIVE THING THAT HELP KEEP MY SANITY WERE A FAMILY OF RABBITS. OUTSIDE MY PRISON CELL WINDOW I COULD SEE A LARGE SEA BARGE CONTAINER & A FAMILY OF RABBITS LIVED UNDER THAT CONTAINER. THE FAMILY CONSISTED OF A MOTHER, FATHER & 2 BABY RABBITS. I WATCHED THEM EVERY DAY PLAY, EAT & SLEEP. I SAW THE BABY RABBITS GROW UP & ~~SAW~~ <sup>SAW</sup> MANY OTHER RABBITS THAT WOULD VISIT NEARBY. THOSE RABBITS HELPED ME WITH MY DEPRESSION & PROBABLY SAVED MY LIFE.

AFTER THE 2 WEEKS I SPENT IN THAT 1ST PRISON CELL IN THE "HOLE" (AD'ED) BUILDING - THEY MOVED ME TO ANOTHER BUILDING ON THE SAME YARD. THE NEW BLOG, I WENT TO WHAT CALLED "RECEPTION". THE CELL WAS BETTER & THEY TREATED ME A LITTLE BETTER THERE. THEY PUT ME IN A 2 MAN CELL. WHILE I WAS ON THE RECEPTION YARD - I SAW MANY RABBITS. WHEN I WAS OUTSIDE IN THE YARD THE RABBITS WOULD COME REAL CLOSE TO ME & I COULD FEED THEM CARROTS FROM MY LUNCH.

IN MY NEXT BLOG I'LL TALK ABOUT THE DIFFERENT KIND OF ANIMALS THAT I'VE SEEN WHILE I'VE BEEN IN PRISON & THE PETS MY CELLS & OTHER INMATES HAD IN THEIR CELLS. THAT'S ALL FOR NOW, PLEASE FEEL FREE TO MAKE COMMENTS OR WRITE ME.
