

my profile.

Hello my name is Jason

I'm a single 36 year old white male. I'm looking for a pen-pal friend to write get to know and start a friendship with. I've included a picture so you can put a face to my profile! Some of my interests are writing, reading, listening to music (Rock & country), working out and playing cards. I'm learning to play the guitar but that is taking some time because I have to teach myself but it's a lot of fun. I work in the kitchen and that takes a lot of my time and that's ok with me I like to stay very busy and I don't get involved in any of the drama on the yard but I will never be too busy to write a letter. So due to some very poor choices I wound up in prison. I've been locked up for 6 years now, and in that time I've learned a lot about myself. I'm proud of the things that I have accomplished and the changes that I have made to myself. I have also learned that friendship is a very special thing. If you're looking for a true friendship man, woman young or older then write me and let's get to know each other. I know a life of freedom isn't always just that it can also be a prison in itself so if you would like to share with me life's problems I'm always here and I'm a good listener. I hope to hear from you soon.
