I ?

Who am i?

i'm a lost warrior on a path of  
senseless violence; a path that  
leads to the flow of wasted blood,  
in which i elate.

Who am i?

A brain-dead corpse indoctrinated  
with the poison fed to me, from a  
racist Plate.

Who am i?

Am i a creature repulsed by my own  
existence, and no! i don't buy the  
idea of a Black genius; that ~~idiot~~...  
i haven't ate.

Who am i?

In my impulse to hurt, maim, and kill;  
it's you ~~murderer~~ that i pray will  
endure my H A T E.

Who am i?

When i shut my eyes to sleep at night  
i see your decrepit body--by-passin'  
heavens gate...

Who am i?

Many of you will call me mad, or think  
that i am one whose insanity was detected  
too damn late.

Who am i?

W H O A M i ???

(WHO AM I?)

Who am i?

Compassion i am not moved by,  
nor does wise words cause me  
to reflect, ... on my made in  
ameriKKKa ~~beast~~ state.

Who am i?

i'm that fettered ~~in a prison~~  
foul ~~was~~ purported Rimp, that  
real Gangsta, that F O O L...  
destined for a prison yard,  
early graveyard... i'm that lost Soul  
~~without~~ without FAITH....
