

"Hot Fur In The Summertime"

It's no fur in the sur without that
Special someone!

I promise not to run, I'll walk
with you hand in hand!!

I'll be your Special Man, you'll be
my Special Woman, together we
will go to Loveland!!

Winter, Spring, Summer & Fall, I'll be
with you - we could do it all!!

Let's put us altogether, let us
write as one and have some fur
in the sur - I'll be yours, you'll
be mine - this summertime!!

The Man with the plan,

Balliter
