

"Homicide"

Homicide when will black People stop?
And learn how to climb to the top.

Homicide is not nice.

Remember you always pay the price.

Homicide is nothing but hate.

Will black People ever start to mate?

Homicide is a form of being slain.

It only causes Pain.

Homicide can leave us in a Daze.

Plus we will be stuck in a Maze.

Homicide will never open the Door.

So get up off the Floor!

Homicide is always a foolish move.

But is that the way we should groove?

Homicide is a ugly sight.

So let's Do what's right.

Homicide is a Evil crime.

Some people Due alot of time.

Homicide there's no win.

It's only A Wicked sin.

Homicide I want it to End.

Black People need a New Trend.
