To All the B+B UNIVERSE,

Hello AND HOW ARE YOU ALL? Anyway, I HAVE A FEW QUESTIONS FOR YOU ALL, Hoping YOU'RE ABLE TO GIVE ME YOUR BEST ADVICE. Well, when it COMES TO CHILDREN, I HAVE A WEAKNESS AND THAT WEAKNESS CAUSES ME, (IN THE PAST), TO ALLOW THEM TO DO AS THEY WISH, BECAUSE I REFUSE TO DISCIPLINE A CHILD UNDER 5 YEARS OF AGE, DUE TO THE TEARS THEY RELEASE, PLUS, GETTING WHIPPED OR BEAT ON DOESN'T DO ANYTHING BUT BUILD RAGE AND COERCE REBELLION. LOOK AT ME! So my QUESTION TO YOU IS, WHAT MEASURES WOULD YOU USE OUTSIDE OF PHYSICAL ABUSE, TO INSTILL ~~discipline~~ DISCIPLINE AND RESPECT? Now my SECOND QUESTION IS, WHAT DO YOU DO FOR A CHILD THAT'S A BOY AND LOVES DOLLS OR A GIRL THAT LIKES HOT WHEELS AND ACTION FIGURES?

My last QUESTION IS, DO YOU FEEL AN INDIVIDUAL IS BORN A HOMOSEXUAL OR DO YOU FEEL THEY'RE TAUGHT TO BE HOMOSEXUALS? BEFORE I GIVE MY THOUGHTS AND BELIEFS. I'LL WAIT TO HEAR FROM YOU ALL 1st. THE REASON I'M ASKING YOU ALL THESE QUESTIONS IS BECAUSE, I WANT TO BE THE ULTIMATE HUSBAND, DAD, PARENT, LISTENER AND ADVISOR ONCE I'M RELEASED AND START TO REBUILD MY NEW LIFE WITH WHOMEVER THE INDIVIDUAL MAY BE. THE BIBLE COVERS ALL OF THE QUESTIONS, BUT I DON'T FULLY UNDERSTAND THE INTERPRETATIONS ON THE SUBJECTS, AS I STATED BEFORE, GOD IS STILL WORKING WITH ME. I'LL BE WAITING ON YOUR ANSWERS!

Stay Lifted,
Augustus

My Black Diamond, Ms. Cordelia

TELL ME, why did WE HAVE TO MEET like this in life?

Your presence bring me so much joy, then you leave

And that pain cuts deeper than a scalpel knife

Icely white smile, shimmering like the sunlight,

A skin complexion of the finest chocolate, just as sweet,

An angelic voice, like a whisper in the wind,

And a personality that exudes pure love.

Till this very day, I can still feel your 1st touch,

I can still smell the sweetness of your breath,

Most of all, I can still see the want and desire in your eye's.

Some people can't see their rose staring at the bush,

But I see mine, yeah! I see you, hear you and want you,

You don't have to say a word, verbally, your eye's spoke,

And ever since then, these others have become like kites in the wind,

My every thought as of lately is of you

You seem to know my pain, why won't you heal it?

Are you afraid to turn through the pages of my life's book?

You are the only reader with the potential to change it,

So why not change the ending to my book?

Keep shimmering my Black Diamond, I see you!

If noone else does, you have a real fan in me !!!
