"Quotes"

"The Pleasures of happiness exist for a season,
Go enjoy;
For then you have to endure the winter of Pain,
Life!" T.D.L.S.

"Insanity, is to do the same thing over & over when
you know all along the damage it will, shall and
has caused! Insanity "yet, expecting different!"
ALBERT I.

"Knowledge, is most effective not when spoken
yet when Proven!" T.D.L.S.

"My Beloved Children"
I can't change the Past
but today I'm reaching to be
a part of the Present because
tomorrow holds the Gift of our future...
Love, your Dad

Momentarily Free

They are looking for me but I can't be found,
for I'm just outside, the reach of sound:

Barricaded in those secret thoughts of sanity;
for it's then and only then that I'm able to be.

momentarily Free

The One Less Spoken

Reaching

for I hold no presence there

like I posse no shadow here;

Reaching from the dark, for life,
as those in the light, fleeing from death;

perhaps, a pointless exercise,
yet, who am I, after continuous tries?

merely:

A Prisoner with faith!

Reaching

T.O.L.S.

Who am I that drowns in the
shallow waters of love; served
only a teaspoon at a time?

A simple man

My Heaven

About a half-mile outside of heaven
I thought I had lost my way and there I found
a shining star that came and saved the day.

For I never knew a love that could be so
true, until father time allow me to share a
moment with you.

Sometimes, in life we find ourselves
reaching for heaven, when our blessings exist
right amongst the stars ...

My Beloved Heaven

What is it that I, a Prisoner, can give
to a woman who has the world of freedom;
perhaps, a love that makes the universe
appear shallow ... P.O.S.S. 6.18.11

The ear of silence,
holds the secrets of
one's soul;
