

# "Dearest World"

I'm a lonely man without a special woman  
to rock my world! So I reach out  
to you in hopes you'll come and pick  
me up to be your friend, your Buddy,  
your associate or whatever you need  
me to be, I'll be Him, Mr. Right  
or just Mr. Right now? You call  
it and I'll haul it? ? ? ?  
I once had a woman in <sup>LOVE</sup> 2002 but  
that was that, now we're through!  
So this loneliness I feel, is real, why  
want you come give me a thrill? ? ? ?  
It doesn't matter your status in life, even  
if you're another man's wife, I'm not  
asking for a commitment, only a little bit  
of your time, and I'll give you all of  
mine! I'll be your new Guy, give me a try!

Drop me a line?

I just heard Amy Winehouse is dead!

May God Bless Her Dearly Departed Soul! Amen

I just read in <sup>7-11-11</sup> Star Magazine last week

"Amy W. maybe dead within 90 days and join the cast of singers whom die at 27" well, that was a prophetic article, that has come to pass! However, I feel that Amy purposely took her life (suicide) for the fame of the 27 group and for the booting she recently experienced on stage. She's been fed up with life so she took hers! It was not said, but I'm saying it was from an overdose of heroin & pills etc..... Surely it was seen coming by us that watch stars?

Another life/precious has gone too soon from this life! "Amy, you didn't know that it was some of us that hate to see you gone on your way to the spirit home! You were important to some, but you may have thought no one cared, yet we did, now we left with only a memory of the Amy Winehouse we saw/heard!"

In Memorial,

Ballies 7:20 AM 7-23-11

# "CRIME"

## Be Not Afraid

It is a very serious & dramatic and sometimes tragic (mayhem, horrific, unimaginable event experience!) May God give you the peace of mind if you're ever experience such misfortune! Amen!

As a prisoner, that has caused such crime on society (Lord I ask for forgiveness in spirit, even though families of victims may never, Jehovah you know my heart! Amen!)

I write this for the public - I know, it's hard to comprehend this - you should not live in fear: Rom. 8:15 "For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba Father!" Ps. 23:4 "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me: thy rod and thy staff they comfort me!" Amen!

Majority of crimes aren't personally directed at you, most crimes are haphazardly/haplessness of being at the

2) Wrong spot at that specific time! Not that you were the intended victim! The reality of the unfortunate incident is/was the evilness of the perpetrator (criminal) happen to cross path with you and you became the target/victim!

Don't allow the crime to take control of your mind/life, do not live in/with fear! IF the perpetrator/criminal did not know you, never saw you, never crossed your path till that misfortunate moment of time - that you were a stranger to them - and the perpetrator/criminal picked you at that precise moment! Randomly!

I live in the world/prison where us dregs of society live, and I hear & see 97% per cent of us perpetrators (criminals) did not know our victims! And we were just roving!

4) and give them some insight into the reality of the situation?

No, I am not saying - this is the facts/circumstances in every case, but those random crimes it's a fact!

Just A Prisoners view -  
Point of living inside 24-7  
day-in, night-out, months &  
years!

Sincerely,

Bathes

Matt. 16:23 "...Get thee behind me, Satan: thou art an offence unto me: for thou savourest not the things that be of God, but those that be of men." AMEN
