

Transform Discord Into Melody 8-8-11

Most people assume that in a loving relationship, individuals are alike and have matching interests and opinions. Yet in reality, there are no well-matched couples or completely compatible friends. On a personality level, individuals differ in all respects and cannot be made identical. Whether the areas of agreement seem to be about food, weather, finances, entertainment, sports, parenting, or politics, look closely enough and you see separate attitudes about every detail. Yet none of this matters if both people see the differences clearly, accept the differences fully, and continue to practice love.

Life Pains

8-8-11

The pains we dare not remember  
are the most dangerous of all. We  
fear to face some horrible things that  
once hurt us, and we stuff it into  
the black holes of our unconsciousness  
where we suppose it cannot hurt us.  
But it only comes back disguised; it  
is like a demon wearing an angel's face.  
It lays low for a while only to slug us  
later, on the sly!
