

# EVEN ANIMALS

ARE NOT

"CANNIBALS"

THERE ARE THOSE WHO OPOSE THE ONE WHO'S  
IS WILLING AND ABLE,  
FOR GOODNESS SAKE THEY WILL TAKE  
ANYTHING THAT FITS ON THEIR TABLE;

THERE BIGGEST TREAT IS DARK MEAT  
I'M FOND OF IT TOO,  
WHEN YOU GO TO EAT AND THERE'S NO  
SEAT PART OF THAT MEAL MAY BE YOU;

WHEN K9'S FIGHT EXCHANGING BITE  
FOR BITE WHEN IT'S OVER THEY REMAIN  
FRIENDS,  
WHEN MANKIND TEST THE TASTE OF  
FLESH HE WILL DEVOUR IT TO THE END;

IN THE CYCLE OF LIFE ANIMALS KNOW  
WHERE TO GO TO RECIEVE A DECENT  
MEAL,

THEY DON'T HAVE TO THINK WITH  
THEIR NATURAL INSTINCT SHOWS  
WHAT TO EAT AND WHAT NOT TO  
KILL;

MANKIND'S UNLIFTED AND SPIRIT-  
UALLY GIFTED FROM ALL CREATURES  
ON EARTH,

WHEN HIS APPETITE'S REACHING  
PASS CENTRIES OF TEACHINGS IT'S  
TIME TO RETURN TO THE DIRT;

HUMAN CANNIBALS THAT WANT YOUR  
BODY AND YOUR SOUL IN THE 21ST  
CENTURY,

WITH A UPDATED LURE TO PLACE YOU  
INSIDE THEIR DOOR WITH SMALL EXITS  
AND A EASY WAY OF ENTRY;

INSIDE THEIR DOOR WHERE I NEVER  
TRAVELED BEFORE CHAINED AROUND  
MY WAIST,

THE COWARDS THAT EAT HUMAN FLESH  
AND DARK MEAT STILL FIND NEED  
FOR HAST.

Boyer 7/11/11

I CAN SEE CLEARLY NOW THE  
CHAINS ARE ON -

I CAN SEE ALL OBSTACLES  
IN MY WAY.
