Count down to New Years. it's the eve. used to, but I
like 2 lead. So now I count up. Spiritual grace give
a — In review. Filled wit lust for uncommitted sins
27 yrs again- & AGAIN? Who knows, yet soon death will
play it's part 😊

Dear GOD,

Heaven or Hell... either way I owe you
an apology. for all my sins & thoughts of especially
the blasphemy. excuses there are none. Do know
that I never ever want to be in that mind shade where
as I have the earthly audacity to commit treason
against you & your son Jesus Christ. Please know
at the moment I'm workin on gainin a full &
meaningful appreciation of Jesus dyin for my individual
trespasses. Just seekin to embrace hearted faith as
~~for~~ God's son born to lead. How can I lose????
Even wit the score 1 trillion to 0. one undimed down
left in the 4th qdr. My jersey all white. Head to the
sky I'm ready & steadily encouraged.

GIVE ME THE BALL

Dear Heavenly Father/God,

12-20-0

Thank you for creating me as a writer - so I had the thought to communicate with you this way - -- to start a diary - in a One Daily of sorts - I can't walk in the spirit what you

God thank you for allow on my cell & ask bout my day & need that - even though I didn't respond: I be like that alot? Super broken & caught on my personal attitude help me? Even so listening to him share his (day) you were there reminding me; this is Father God. --

To take the headphones off, look "my son" in the eye & give him my full attention, which includes pouring out wise counsel, advice, & love affirming words that speak to a heart's encouragement, words of confirmation. "Yes I'm listening to you."

A gentle reminder, that

I came and?

Remembrance -

I come

last.

Real. last.

Amen.

God I need help the "Q" in my Q? is hard to express. Often to question if it is there in reality, or is it idealism - or delusions of grandeur? let's hope not - for my souls sake. &

For your lives sake.

God help me love those around me - specially my co-workers - cause sometimes - sometimes - It's frustrating such part is - I want kids, Amen. To put up with them I must be able to deal lovingly & effectively & patiently with those who ever surround me. Amen.

Equip me to respond in love to their "childish" antics especially when they ~~tag~~ tag in on my coat - pleadin - askin - yellin - whisperin - stare in - implying -- "Are we there yet?"

Bless me to respond wisely even when I'm irritated. move my flesh out the way. here I know it's hard to be human - Smile

God help me give my unger 2 you - It's teachin me on a contrary path - that works not your righteousness & ~~Amass~~

God I also need you to help my wandering eyes! teach I

got lost issues. Have since I could remember my memory
can do nothing of my self so you just gotta help
me please pa. Amen.
cause with these characteristics I can't even
get close enough 2 smell ~~the~~ heaven. Amen
God thank you for making me teach buter level knows
I tried to quit least once. Thanks for guiding the
path of my feet & not accept on my resignation -
means alot. Cause my flesh is defonately destructive
ask my '85 for sentence! God thank you for using
it to teach me how servant hood - patience -
leadership & father hood characteristics. Amen & Amen
for teaching me humility. Ain't been easy dealing
with my supervisor but if u were right there to
hold me in the palm of your hand & give me
soft answers that turn away my own wrath.

Amen.

God thank you for granting me wisdom may I
rec'd it wisely. Thank you for moving me to
send this to my most precious & ever beautiful
sister: **hahia** - she smiles so right now I can see
it. A joy fully innocent sincere smile. It makes
me smile just like when I was free & B with
her that ~~is~~ ~~is~~ year of her God given life.

Thank you for layin my burdens down & giving
me the ability to help others do the same
Ain't need nobody else stress - stressing me out
Amen.

Thank you for bringing & remain peace over my
life & every existence. Amen over my physical &
mental & spiritual. Amen.

God I pray for a peaceful nights rest Amen.
To be awakened but the appointed times Amen
keep me clear to the noise pollution the devil
trys to use to rob me of sleep. God keep me
refreshed & able to do your will. Amen.

May it not be a fuel in my life as the
lives of these young men thank you for
letting me hear Mr West say Jesus is his

herald & savior. Amen. We just spoke on that at Bible study. But how every body know there's power in the name of JESUS. Amen & Amen.

God keep me till it's my time. Please grant me a moments notice to say "It is finished" Amen.

I pray to Dan that you'll fix his accidental overdose & we plead the blood of Jesus over his body we confess that on the Almighty God ~~he~~ he lives menes & has his king. Amen. Jesus Christ is his herald & savior & the gates of hell shall not prevail against him or those ~~pr~~ pray for him Amen.

God keep brother Carter under the ~~shado~~ shadow of your protective wings Amen. Give him another gentle kiss on the forehead Amen. Comfort him & rock him to sleep. Amen.

well I'm going to sleep now Amen

Please help me Amen In Jesus name Only his name is the seal that binds Amen. Thanks for that revelation for

obedience precedes understanding

is God's will what are your actions telling people about God
