"25 Things You Don't Know About Me!"

1. I have a celebrity crush on Zoe Saldana
2. I have two middle names: Ray & Charles. Pure coincidence and had nothing to do with the musician.
3. I'm addicted to Black-N-Mild Cigars. Well, not now because I'm incarcerated.
4. I've never been fired or terminated from any employment.
5. First I in my family to graduate from high school.
6. I've only been in one serious romantic relationship.
7. People use to say I looked like Jon B the R&B singer when I was a teenager.
8. I spent a week on vacation in the Nassau, Bahamas with my family.
9. I never got a chance to walk across the stage to receive my diploma in elementary, middle, high school, and college. Something tragic always happened and prevented me from being in attendance. I think it's a curse.
10. As a Junior in H.S., I played varsity football as a starting Nose Guard and our team won the 2000 Blackburn Division Conference Championship.
11. Young Jeezy is my favorite rapper since 2Pac.
12. I'm a product of the Foster Care System. I refer to my foster Mom as Mom, and my foster family as my Family.
13. I'm kind of a sucker for love. I don't know, I'm just a nice guy all around. Plus I flirt a lot.
14. I'm a University of Milwaukee College drop-out. Nothing to brag about, but hopefully one day I'll drop back in.
15. Embarrassing, but I'm kind of scared of fishes. I don't know why.

20. Which brings me to this, I'm not conceited. However, sometimes, I like to stare in the mirror and admire myself while dancing and rapping.
21. I don't believe in spanking children as discipline. I was abused as a child and as a result, it only has created some insecurities, low self esteem, and long lasting mental defects and scars despite the progress I've made thus far.

Shout Outs:

Shout Outs to those whom I love, you know who you are; Mom, Big Sis & Lil Brah. Shout Out to **Between the Bars** for granting this opportunity and for allowing me to be socially free from solitary confinement. I hope this will help create some unity. Shout Outs to **D.J. Big Juice, D.J. Double D, D.J Kid Kronos and the whole WORT 89.9 FM Radio Station** in Madison, Wisconsin for allowing the family, friends, and loved ones of the incarcerated an opportunity to call in and give us messages on the air live. And thanks for playing our musical request whenever you can. I know you can't meet everyone's request, but I still appreciate it. Thanks for holding the incarcerated down; **STAND UP!** And lastly, Shout Out to my home-town **Milwaukee** of course. Lets Go Brewers & Bucks! Green Bay brought it home, now it's our time to shine. Verse 1:

I know you see me, light skin, black tattoos
Light heavy-weight built, 6-one, maybe 2
Clean cut, faded up, immaculate gold-t
White pair of them Ones bout the size of 14
Big smile, pretty whites, my breath is so minty fresh
Guess fitted up cause I gotta do it to death
I'm real cool, calm, and laid back
I feel like a million bucks but I'mma stack
Aint got rings and I aint got platinum chains
I aint a balla, I'm only havin' a lil change
And I aint a pimp cuz I aint in to spitin game
But if ya wanna holla at me, you know the name
It's all the same, I never change, I'm A-O
I'm in this for business, I'm on da clock, I'm on da go
And time's a tickin, so I aint got that much time
So if ya wanna ride wit' me then lets ride

Chorus : 2 x's

Verse 2:

You can be fat, black, white, right or wrong
A lil skinny or you might be quite strong
Butt damn ugly ready to bite a dog
Or you can be a midget wit' a flight of flaws
I don't care if you're big boned, short or small
Or even if you're Lisa Leslie's height and all
You can have toe nails that look like claws
Or wear an A-Cup, size 43' drawls
You can have bullet holes, broken bones, & stab wounds
A glass eye, a mustache, and 1 tooth
Can live in the projects or up on the roof
Or sleep in the neighborhood telephone booth
You can be broke or poor girl, retarded or slow
Rich & famous, dripped down in diamonds & gold
A fashion model wit' all types of hips & curves
It aint gotta be real, just as long as it's yours

Chorus : 2 x's

Verse 3:

Okay, I'm not a pretty boy, nor neither am I a thug
I'm not the richest man, nor neither am I a bum
I'm not an Einstein, nor neither am I dumb
And I don't play games but still I'll have fun
On the bus stop, on the bus and we can get
Ice Cream, while watching the sun set
Go to a ball game and root for the home team
Or get some barbeque while lickin our plates clean
Or we can rent some movies or play us some Playstation
And we can get some snacks on the way at the gas station
Or if ya want, we can just chill and conversate
Just me & you, don't hold back, elaborate
Exaggerate, fabricate ya fantasy
Examine, operate on top of me see
I don't mind, give me a line at any time
And at the drop of a dime girl, we can ride

Chorus : Repeat Until Beat Fades

'Girl-Frenz (Part Two)'

Rap Artist: A-O
[08/2009]

Chorus :

If ya wanna free ya'self, then alright
If ya wanna be ya'self, then alright
Still aint discriminatin' or hatin' alright
Just holla at me and know you'll be alright

Verse 1:

Money never been a factor for me cuz actually
I'd rather spend time wit somebody who was passionately
Interested in me, not for any thing monetary
Prepare me for the long haul, something more than momentary
I could care less what ya' think ya' flaws are
Or what people say about you or me as long as ya'll are
Sincere and have good intentions, trust me-I accept ya
I can understand better than those out to get ya
But ya gotta be ya'self all the time, nothing less
Even when ya feel stressed, not just when you're blessed
Don't try to impress me cuz I'll get to stepping
I'll get thee impression and feel like deception
Was ya focus from the start, just keep it real wit me
If ya can't, then I don't think ya wanna deal wit me
Cause I don't heal quickly, it take time to heal wounds
A scare is for life, but the pain I can soothe

Chorus : 2 x's

Verse 2:

"Treat me like I treat you!?" Naw, I aint doing that!
I'mma treat you right regardless of you even doing that
True, and that respect comes wit no ties to it
You can disrespect ya'self, that aint how I do it
Matter fact, why do it to ya'self when most of ya'self
Is depended on ya health? Seek help!
I suggest ya see a doctor for ya problems, try to solve'em
Don't try to take it out on everybody and involved them
Cause we all gotta story, some tell it, some don't
Some good, some bad, you can tell it how ya want
But don't front cuz ya life aint like his or hers
Wit the glitz and the glamour, and the minks and the furs
Diamonds and the chains, moet, champagne
Cuz some go insane wit that life and wanna change
Rather be a Joe Smo or a regular Plain Jane
Think about that for a moment but the facts still remain

Chorus : 2 x's

Verse 3:

Tryin to take advantage of me is a big mistake
And if ya take my kindness for weakness or forsake
My generosity and have animosity
Possibly, you aint wanna friend, so why bother me?
It's more beneficial for you to make official
That we don't have an issue, but somebody done pissed you
OFF! Now ya takin it out on me
& reacting like a kid, tell me why ya can't see
Is ya blind to the fact that some people are genuine?
Let'em in truly, I'mma fine specimen
A gentleman, I don't think there is a better man
Better than, won't gamble on life then settle in
Cuz money out the anus could kick ya in the anus
Bills aint the same as, collectors wanna claim it
Friends? So, they claimin and haters wanna frame ya
Now they hollering at'cha but before you was the lamest

Chorus : Repeat Until Beat Fades

"Drive You Away" Lyrics

Rap Artist: A-O

[2008]

Chorus :

I'll give you the ride of your life
It'll feel like the high of your life
Brace yourself fore the long road awaits
Get in the car and I'll drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Get in the car and I'll drive you away

Verse 1:

I'll open doors for you, wear nice clothes for you
I'll pay for dinner and buy a nice rose for you
I'll write you love songs, love letters and poems
I'll argue, "I love you more" when we're up on the phone
I'll be your knight in shining armor, me and my horse
Then put the pedal to the metal, feel the force
I'll go to work and come home only to you
I'll stay faithful and will always be true

Chorus :

I'll give you the ride of your life
It'll feel like the high of your life
Brace yourself fore the long road awaits
Get in the car and I'll drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Get in the car and I'll drive you away

Verse 2:

You'll say, "He's so nice and he's so different"
You'll tell your friends I'm magnificent
You'll say, "He's ambitious and he's so intelligent"
And everybody else is so irrelevant
I'll make you feel great when you're all by yourself
And when they're in your face, you see nobody else
You'll want to take me everywhere and show me all around
You'll be on cloud nine, high and'll never come down

Chorus :

I'll give you the ride of your life
It'll feel like the high of your life
Brace yourself fore the long road awaits
Get in the car and I'll drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Get in the car and I'll drive you away

Verse 3:

We'll do everything and we'll go everywhere
We'll do anything and we'll do it anywhere
And we wont care, we'll only want us
We'll share all our love selfishly in all our lust
We'll be perfect, equal and we'll be one together
We'll be infinite and we'll always be forever
That's all I want and that's all I'll pray
If you get in the car I'ma drive you away

Chorus :

Vrrooom, drive you away
Vrrooom, drive you away
Vrrooom, drive you away
Get in the car and I'll drive you away

Rap Facts:

Girl-Frenz (Part One): Rap Fact 1

I won \$500, first place, free recording studio time with In Da Trunk Records (Home of Coo Coo Cal's nationwide hit, 'In My Projects'), a photo shoot & biography with Hip Hop Urban Magazine, 'Ya Heard (2004 August Issue), and bragging rights for winning performance of Girl-Frenz (Part One) at Jerome Bryant's **Talent Showcase 2004** at the Milwaukee Public Library-Centennial Hall. Joe Blow came in 2nd place with a song performance about aids, while Bald Head Nut came in 3rd Place performing a song about Milwaukee. We were ultimately judge by the judges on performance, clarity & messaging, mic-control, and audience participation. However, the judges only judge those who were voted by audience popularity. Each member of the audience were given a ticket and were to put only two names of their favorite acts. The more people who came to see your performance, the more chance you had at winning. Ironically, the house was full packed and the only two people whom I knew and who came to see me perform were my Mom and my older Sister. I won by a landslide, almost 95% of the votes went to me and I went up against 50 acts. It's kind of crazy because I bought tickets for everyone in the hood, my family, and friends, but no body showed up. I was kind of hurt by that but it only motivated me. I wore an all shiny-black Pascal Fit Guess Jeans & Jacket with matching plain white Guess shirt, all white Nike Air Force 1's, and an all black New Era Milwaukee Brewer's fitted baseball cap.

Girl-Frenz (Part One): Rap Fact 2

After winning first place at Jerome Bryant's Talent Showcase in 2004 I was also booked twice at a Milwaukee Public School by Mrs. Boone to perform Girl-Frenz and other several songs for middle & high school kids for \$800 a session.

Girl-Frenz (Part One): Rap Fact 3

I wrote and composed this song in 2003/2004 while incarcerated and housed in the segregation unit at Racine Correctional Facility. My Mandatory Released date was weeks away and I needed a song that could create a buzz and that could appeal to the ladies. It needed to be kind of Pop and radio friendly, so I made sure it was perfect. I produced my own music, made my own beats, wrote all of my own songs and material, and performed everything solo. I wasn't looking to get signed, I just wanted to perform my talent and entertain people. I love what I do and could care less if I got paid. However, getting paid is really nice too.

Girl-Frenz (Part One): Rap Fact 4

Rap Influences: This song's flow, style and creative influences have to be Nelly, Ludacris, Eminem, and Coo Coo Cal. If they were ever to have a song together, I'd like for them to perform Girl-Frenz together. But that's just wishful thinking.
