

Don't Give Up

Minister X-Ray

When your life is tossed and scorned, And that hope you had is gone

Don't give up on Jesus

When you've tried everything you know, And you're looking for a place to go

Don't give up on Jesus

When you've gone past your limit, and you can't take it another minute

Don't give up on Jesus

When this world spins round and round and you can't tell your ups from your downs

Don't give up on my Jesus

He's met all your needs before, even when you were unsure

We cannot doubt, He'll bring us out

He'll do it over and over again, pray your faith will kick in

With just one wink of his eye he put the sun in the sky

For all to see again and again, you must begin

He sits high and looks low, He knows the way that you should go

His throne's in Heaven, His foot is on Earth, He controls our Destiny for all that it is worth

Don't give up __ NO!

Don't you dare give up, Don't you dare do that

You surely must trust

Stop everything, be still and know

He knows the Way you should go

The Lord has "PROMISED" to supply all of our needs, whatever we yearn

Live, as 'tho expecting His soon return
