

HELLO FROM  
MATTHEW JANKOWICZ  
MULE CREEK STATE PRISON

16 JULY

I'LL LIKE TO SHARE WITH YOU ABOUT ALL THE TYPES OF ANIMALS I'VE SEEN IN PRISON & NOT THE HUMAN ONES. ☺  
JUST IN MY PRISON I'VE SEEN SWALLOWS, OWLS, HAWKS, SEA GULL, BUZZARDS, BLACKBIRDS, CROWS, SPARROWS, TURKEYS, DEER, RABBITS, RACCOONS, SKUNKS & MANY TYPES OF INSECTS LIKE PRAY MANTIS, WASPS, BEES, BUTTERFLIES, STINK BUGS, LIZARDS & MANY OTHERS, WE HAVE NO TREES, THE SWALLOWS MAKE HUNDREDS OF NESTS ON OUR BUILDINGS, SOME OF THEIR NESTS ARE ABOVE MY WINDOW - TWICE THIS YEAR BABY BIRDS FELL OUT & THE CROWS GOT THEM.  
YOU CAN ALWAYS TELL WHEN THE SKUNKS ARE OUT BECAUSE YOU CAN SMELL THEM THROUGH OUR AIR VENTS, I FED A RACCOON A APPLE THROUGH A WATER DRAINAGE GRATE, I'VE SEEN THE HAWKS COME SWOOPING ONTO OUR YARD & GRABBING A GOPHER OR MOUSE, SOMETIMES DURING THE DAY WHEN I'M IN MY CELL I'LL WATCH THE WASPS COMING & GOING ON THEIR NEST OUTSIDE MY WINDOW (I HAVE A LARGE ELECTRICAL METAL BOX OUTSIDE MY WINDOW & THE WASPS LIKE MAKING THEIR NESTS THERE), WHEN IT RAINS I WATCH THE SWALLOWS GRAB MUD FROM THE PUDDLES OF WATER TO BUILD THEIR NESTS, THEY ARE LIKE LITTLE HELICOPTERS - WITH AS FAST AS THEIR WINGS MOVE, ☺ WE FEED A LOT OF THE BIRDS WITH BREAD, MY NEXT BLOG I'LL TELL YOU ABOUT THE MANY ANIMALS & INSECTS THAT INMATES KEEP AS PETS, FEEL FREE TO MAKE ANY COMMENTS OR/ & WRITE ME, THANKS. ☺
