

HELLO!

FROM

28 AUG. 11

MATTHEW JANKOWCZ

I'LL LIKE TO TELL YOU ABOUT HOW ARE YARDS ARE SEPARATED, WE HAVE LEVEL I, II, III & IV YARDS. LEVEL I YARDS ARE FOR LOW LEVEL OFFENDERS - INMATES THAT HAVE MINOR DRUG CHARGES & PETTY CRIMES - USUALLY THEY ~~ARE~~ <sup>WILL</sup> STAY IN PRISON FOR A FEW MONTHS TO A COUPLE OF YEARS, THEY CAN WORK OFF PRISON DUTY - DOING FREE REPAIRS & TRASH PICKUP & LANDSCAPING ETC. THEY HAVE LITTLE SUPERVISION, THE LEVEL I YARD ONLY HAS A SIMPLE FENCE SURROUNDING IT. INMATES ON A LEVEL I YARD COULD EASILY ESCAPE, BUT MOST DON'T, THEY ALSO LIVE IN DORM SETTLEMENTS NOT CELLS, THEY ALSO HAVE 0-18 POINTS.

LEVEL II YARDS CAN HAVE ALL TYPES OF INMATES, FROM SHORT-TERMERS TO LIFE, THEY HAVE 19 TO 27 POINTS, THEY DON'T LIVE IN CELLS BUT IN DORM SETTLEMENTS OR A GYM (CONTAINING SOMETHING OVER 200 INMATES), THEY LIVE LIKE SARDINES IN MOSTLY 3 TIER BUNK BEDS, OPEN SHOWERS & TOILETS, NO PRIVACY, A LOT OF STEAKS & FISHES, THEIR LIVING ARRANGEMENT IS NOT AS NEAR AS CELL LIVING.

LEVEL III YARDS CONTAIN INMATES WITH HARDER CRIMES & HAVE 28 TO 51 POINTS, THEY ALSO CONTAIN LEVEL II INMATES THAT LIVE IN A GYM OR E-BUNKS (IN BUILDINGS WITH CELLS), E-BUNKS ARE EXTRA BUNKS IN THE DAYROOM OF CELL BLOCS, MOST LEVEL III YARDS INMATES LIVE IN 2-MAN CELLS, THERE ARE A LOT OF LIFE ON THESE YARDS, LEVEL III & LEVEL II YARDS HAVE TRIPLE FENCES SURROUNDING THE PRISON - INCLUDING A ELECTRIC FENCE, WHICH CAN KILL YOU IF YOU TOUCH IT.

LEVEL IV YARDS CONTAIN THE WORST INMATES, WITH THE WORST CRIMES & A LOT OF TIME, MOST OF THE INMATES ARE LIFE, THEY HAVE OVER 52 POINTS, THERE IS A LOT OF VIOLENCE ON THESE YARDS, EVEN ON ANY YARDS, THEY HAVE SOLID WALLS AROUND THEIR YARD, WELL THAT ALL FOR NOW, FEEL FREE TO MAKE COMMENTS OR WRITE ME, THANKS. !!
