## = Lookin' for love =

A serious relationship, true love, is something I really want in my life now. So why not start looking for it now? During the time I've been locked up I've realized how short life is. I don't want to waste anymore time. I'm so ready to build a life with someone. I know how hard it's going to be to find that woman from here but, it is possible so, why not try, right? I have a little over 3 yrs. left, and it'd be cool to use that time to really get to know someone. I know there's a bunch of dudes that try to play women from prison but, I ain't one. The only way I can prove that is by saying, I'm not looking for a sugar mamma so don't trip, I don't need anything. The only thing I'm asking for is a chance to get to know you. What I'm looking for is pretty simple, a woman between the age of 18-30 who's honest and open and knows how to keep the "unnecessary" drama to a minimum. And just someone who's a good person with a big heart. As far as looks go. Sure, I like a fine woman, but looks don't mean everything to me. I'd rather be with a cute girl who's hella

Cool and real, instead of a super fine girl who's bella snoby and fake. I know alot of women might think I'm a loser cause I'm in the pen. But I've done ALOT of growing up, and the person I am today, really trips me out! I feel good! My past doesn't determine my future. I have alot going for me when I get out. So if you're open like I am and want to see if we can be friends or something more, I really encourage you to write me, cause you never know. Also, please don't hesitate in writing me by thinking I got a bunch of hot women writing me cause, real shit, no one has probably wrote. Not to many women are open to something like this. But I do hope to hear from someone soon.

Sincerely,

Rosario A. Barrera
