... July 12, 2011 ...

To all the BTB universe,

Sorry that I hadn't been checking in with you all, but I've been dealing with some illegal injustices here on my unit, so please do forgive me! Anyways, I'll do my best to get back with you all A.S.A.P. !!!

Your Friend / "562"
Augustus

May I Be...

May I be the sugar that sweetens your coffee.
BECAUSE it's been bitter for far too long

May I be your crutch when you get weak
SOMEONE you can lean on until you're strong

May I be your towel, lay me down and sit on me
SOMEONE to absorb and appreciate your fruits juices

May I be the cream that fills your Eclair
SOMEONE to handle your insides with care

May I be the lips and tongue that greets you
During heated moments taste and kiss you
Letting you know that it's going to be alright

Just hold your vows and keep it tight

May I be your friend, better yet your man
BECAUSE I truly care and I do understand
How illusions in life can evaporate a heart's feelings
And sprout anger within and create invisible walls
I've experienced it all 1st hand

May I be your donor, giving you my heart
So that you may learn to love and how to be loved
The right way, by me!
