

# Six Figure bottle of Wine!

It must be nice. One incorrectly assumes that it is a bottle of water that Jesus Christ turned to wine.

There has to be a miracle that is associated with the crazy price paid.

Sadly, no. Just a white french 200 year old Chateau, owned by Napoleon?

\$123,000 to be opened in 2017.

Being born in France and as a pre-teen raised in Germany, wine country weekends with tastings were a part of life. Between 1964-1978 I can rest assured father never spent more than \$25 a bottle.

I'm comfortable \$50,000 can prove my factual innocence.

So the next time someone is considering a luxury, reconsider. Invest in saving my life from this wrongful imprisonment.

Spare Change?

# Poor Black Man

I welcome you to exercise philanthropy being empathetic to my plite, sic plight.

Allow humanity to guide your desire to correct a wrong. Hear my plea for assistance.

Please; Rescue me from this wrongful imprisonment. I am factually innocent in need of help.

## Moral dilemma,

Because of social economical difference should I be denied justice, freedom and equality?

Or just like the past racial history of this nation. Can you live with youself picking-up a poor black man while he is being denied inherited human rights?

People of all races) and nationalities send relief.

# ANONYMOUS Browser

rest assured I've not given up. Due to limited resources I'm unable to post, as much, even as I would like. Also, there's other avenues that need to be explored. Advertising and marketing this blog of 2exoneratej1 is new, so I'll have to learn by trial and error.

Truth being told you're my invisible friend. Middle-aged I find myself isolated, wrongfully imprisoned, w/no family, friends, associates, or strangers corresponding w/me.

So, what year did I burn my bridge?

Oct 06, 1989 Charleston S.C. After Hurricane Hugo Sept. 22 I had abandoned my 9 month old son James Terry III and his mother Sharon Thompson. I wrote the 2 of them last week. They never write me back.

If writing's therapeutic when will I start to reap the benefits?

God forgive me and send relief.

Amen

# Wealth Gap widens

I remember 2000 when it was approx.

Whites \$77,000  
Hispanics \$11,000  
Blacks \$7,000

Current 2011 estimates:

Whites \$113,000  
Hispanics \$6,700  
Blacks \$5,600

2000 numbers were 11-1 whites versus Black median

2011 it has widen, whites versus blacks, to 20-1.

One group exercises; IRA's, college funds, homeownership and business ventures. While the other 2 groups think about living The American Dream. JT2

# OPEN MICROPHONE

excuse me for my absence.

Because of not receiving comments or mail it is wise for me to seek aid and assistance elsewhere w/out tunnel vision.

This blog is appropriately named and will become a great asset. I've not been posting my inmate trust account statement publicly because there's been no positive treatment. I earn \$1.50 every 2 weeks and have reinvest every coin into advertisement/marketing this site while simultaneously making citizens aware of my dire need to raise funds for attorney retainer fees.

So 2 exonerate I has met an ally with a MBA "The Free Prisoner." What a name! He charges reasonable rates that I barely can afford. I was saving from April to acquire a Facebook profile page @ a photography studio for \$9.95. I made it to \$750 and August 9th Facebook announced shutting down inmate accounts. Not allowing prisoner access.

That had hurt. Facebook huge. Thankfully I received a brochure w/article advertising The Free Prisoner. So, I've made a business connection and am in the process of upgrading this blog w/color photograph and placing Craigslist ad to drive altruistic citizens to my blog. Attempting to raise friendship and \$50,000 from behind prison walls is trying. Success will follow. I will be exonerated and prove my factual innocence because I've "The Truth" which shall prevail on my side. God may be testing me in order to make me aware of my own worthiness of his unadulterated love.

Godspeed and Providence
