

Hello "you"!

Thank you for visiting my "blogsite"! As for myself, my name is Angel - it's a pleasure to meet you! I'm an "inmate" at a "Calif. State Prison", don't worry though - not only am I a "man" who is truly changing for the "better"; but to insure you, none of my "crimes" involve "children", "women", or any other "funny" stuff! But being "honest" with you - I did live a "fast", "compelling", but "unique" and "thrilling" life! I can "honestly" tell you that my "life" has been a "roller-coaster" of a ride - "never" a dull moment!, even on this road to "righteousness"!  
SO "FAST AND "THRILLING",  
WITH "ALL" THAT IN BETWEEN -  
.. THAT ENDED UP IN "PRISON"!!  (WHAT A "WAKE-UP" CALL!!).....

For "example" - "believe" it or not, right now I'm being warehoused in "S.D. Seg 15-V" (WHICH SOME INMATES CALL IT THE "HOLE"!), just to see what the "guards" are going to do with me?; I'm not even in here for any type of "disciplinary" reason!, but every thing like a "waiting game" when it comes to "benefitting" an "inmate" though! People think "prison" is "bad" already, but the "hole" is worse!  
WAKE UP, "INMATE",  
IN "PRISON" WITHIN  
A "PRISON" - IMAGINE THAT!!.....

Now that brings me to you! - see, "prison" can be a "lonely" place too; and being a "man" with a "release date"; it also isn't the "best" place to practice your "communication skills", or to meet a "friend"! So I've decided to open up this "site", be "straight up", and reach "truly" out to "you"! However, I have no "experience" in "blogging" - but I will "not" be discourage!; so whatever "advice" you could "help" me with?, it would "HIGHLY APPRECIATED"!! I'm also willing to "talk"

(PAGE: 2 OF 2)

about "anything" you could think of?, would like to "share" with me?, or I am even a great "listener"?. "Truly" feel free to address "anything"?.  
"SERIOUSLY" - "RESPECTIVE, I'M ALL-EAR"!!.....  
 Oh! - there's a "warning" though!!; I could only respond thru my "blog", or by "email: mail"!, and also to let you know - my "e-mails" are thru a "3<sup>rd</sup> party"; we are "not" "internet" accessible in "prison"!. - I "truly" apologize!; but irrespective, I will "respond" to "you"!.  
"GUESS THE WHAT" - "MAYBE MARY IS A "COO", WHAT A "HECCUP"!!.....

So for now, and without a "clue" to what I'm doing - I must "sian-off" for now, but definitely "not" forever! However, I do wish all of you "well"!, many "blessings" to us all - and I do "promise" to "blog" soon! - Thank you again!!.....
