### Rainbow

I look around me  
My world wrapped in a rainbow  
Our hope eternal

by Donny Welch

### Hopeless

Razor, wire and cell's  
Lives devoured,  
Bleak and endless  
existence,  
Desire for destruction  
embracing oblivion,  
Deliberate intent, too  
shatter our dreams,  
Horrorific hostage of  
A monetary monster,  
Shredded souls of a  
discarded humanity,  
Forgotten and imprisoned  
by a corrupt country,  
A string of dark and  
dreary moments,  
A cage to ward all  
of our hope,
