What up peoplez? Well I'm out of the hole now 😊 My new housing info. is "Echo-E-114". The rest is still the same. Now that I got all my property I'm sending some new pics. to post up. There of me and my daughter Meliyo. I don't have long hair in the back anymore. Just so you know. Well I still ain't got no letters from anyone 😞 So I don't think I'm going to ~~write~~ be writing much, if at all. I don't even know if anyone has read any of my shit? I don't feel like wasting all my envelopes. So if you want to hit me up, just shoot me a letter. I should be here for at least 6 months.

Take care! I'm out!
