

PAUL BEHIND THE WALL...

September 22, 2011

Hello out there! i know it has been a while since my last blog so first and foremost I want to thank Bobbie from the land "Down Under" for her most welcomed letter and comments about the stories of my childhood I've thus far shared. Your words and sincerity really touched me at a time I really needed a boost so thanks and I look forward to the next one.

As for my book I want everyone to know that I am still working on it and I am only gonna put in excerpts from now on until it comes out in book form otherwise I could spoil the ending (smile). In the meantime I continue to look forward to hearing from you. Until paper meets pen again I'm in the wind ... ah-ho.
