

Joshua Jones attorney at law Hal R. Ridley State Bar no# 016399700 Jones Claiming ineffective Counsel. Know Jones didn't know of his rights Jones Counsel coerced him to plead tense with presumption that he would be sentenced to 25 years or sentenced to a longer sentence. due to other charges Jones reason of requesting someone assistance i was convicted for robbery even though i never robbed Kimberly ward or petter Carre 10 14 2008 13:31 or actually produced weapon. there was sufficient evidence that i know the other person was committing robbery intentionally and knowingly i was high on drugs Benzodiazepines, phencyclidine PCP, marijuana and Cocaine. i wasn't taken my mental health medications i am taken 4 pills for bipolar 1 Lithium, prozac, i am still taken medications for my mental problems my attorney alleged the state didn't need evidence of extraneous offense to prove if i identity knowledge or intent to deprive victim of property. the court never admitting Jones motive while in the car Jones never obtain or maintain control of property intentionally knowingly or recklessly causing bodily injury to another or intentionally or threatening or place another in fear of imminent of bodily injury or death all in the course of another person committing robbery or theft. Jones lawyer should have objected on grounds that extraneous offense evidence is not admissible, my case don't meet the elements of robbery Jones never intent to deprive. the toy gun well the pistol was not designed made or adopted for the purpose of inflicting death or serious bodily injury Jones never got outta the car never pointed toward the victims a toy pistol it was not a firearm i would like someone to just head and investigate my case Felony 2 Robbery # 24336 same date case felony 2 Robbery # 24332 29.02 i know if i had the money or the right fighting attorney i could be home to my son that's a name Devin Jones and my family i don't care about my pass record i want or less say i would pray someone view my case and help me get back in court and the mental health i need in the world if i can add this drama attached to this to add to my sit i need someone i could talk to i don't receive no mail please understand. i need someone to at least try if you need to know anything just ask or its something i could be do to go home... or in court..
