

IN LIEU OF CASABLANCA

WE CAN COEXIST -

myriad or individual:

this autumn

is icecubic

(not necessarily square)

this visual

is libertad

interpreting dot com

infinite space

universally perceived

everyone is fighting to exist

interesting state of being

betrays no bravado

man or woman wit or wisdom

physical or interior

myriad no individual

this casablanca

guilties no innocence

facade or idea

at foot

the presence
of the futility

of expenses

vehicles traverse at lightspeed surfing lightyears
myriad the academics the professor Mike
the artist like the diva like the whoreson like light
around the world compelled to visit sites of interest.

She's unclenching a picture
downloading her robing poetic,
internetcam snapping shots.
Erecting the clothes of nakedness

the vehicles are athletic
sport & utility coupe & sedan
luxury & econo opium impelling heroin
its addiction unfrivolous a habit
having so many hooked-line-and-sinker-online

WE CAN COEXIST:

Fun. Academic. Phenomenal. Ordinary.
Awarded. Unsung. Visual. Short sighted.
Broadbanded. Innocent. Guilty. Nerd.
Hip. Tattooed.

in lieu

What makes you of interest . . .
these identities you post
are they exaggerated or authentic

man or myth woman or goddess
wit or fantasy wisdom or fable
exterior or interior
cinematic hollywood is no real life
virtual this literal
bedlam could robe incredible

this phenomenon is naked as birth
birth is out-of-this-world

grounded in theory of cadence
per the laws of physics
blogs post paparazzi as peasants /
poets / politicians / people
not necessarily political

"I"

can't erase this posting
portrait of art
you cast. In dolce
I'm penning these letters
in Missouri precluded 1st hand access
to sculptured prize panty-clad 2nd hand
internet upload, I'd never withdraw
this award: "you are 1st"
hands down

we can coexist

you me / you me & she /
you me she & her / we

exist.

Involuntarily, I mail responses to the
"In", In - is "un" voluntary

infinite space

Is it really worth living;
What is it really worth?...

"Life"

Inferior. Exterior.
Superior. Inferior.
Posterior.

when and where
is peace authentic
and binding?

Labyrinth. Babylon. Abyss.
Monolithic. Borderline. Olympus

surrounds the earth everywhere
When and where? .. Everywhere!
Does the web bear presence (considering
her digital photo)

of genius

it kisses life, the one we question
a layer of honey applies sweet, a haven

my poetry shall never abandon
doesn't forsake this picture
you download for uploading
to be snail mailed to me.

REALITY CHECKS -

Exaggerated identities for authentic
accessibility originalizing the idea
after all the thought is the cause of
it all

copyrights bid fair competition -

Interpret not as you perceive
but as the artist put forth
to portray physical from the interior,
to the beholding eye or the intellectual
frame of thought provoking wit or wisdom
this casablanca is presence
not necessarily political but a person

and people bear
presence and
presence is

"genius"

and this
is casablanca —
