♪ My only Sunshine

There you are with William, Deb ... you were such a free-spirited ray of Light back then babe. I pray you are still pretty much the same way still.

And always keep in mind the following:
People are often unreasonable, irrational and self-centered. Forgive them anyway. If you are kind, people may accuse you of selfish, ulterior motives. Be kind anyway. If you are successful, you will win some unfaithful friends and some genuine enemies. Succeed anyway. If you are honest and sincere people may deceive you. Be honest anyway. What you spend years creating, others could destroy overnight. Create anyway. If you find serenity and happiness, some may be jealous. Be happy anyway. The good you do today will often be forgotten. Do good anyway. Give the best you have, and it will never be enough. Give your best anyway. In the final analysis, it is between you and God. It was never between you and them anyway. I wish you all the best Deb.

Be Blessed.

Here's a picture of me and you Yashua. Now you guys have pictures of Mom and Dad — before we got all spun-out. What a difference, a pure Love of God makes in a person's life. Right? What is it ... Corinthians 13? Yup! Man I miss that magical kind of Love! Do you think I said "All things are permitted", back then? I started slinging ink ... living on beers and weed and then the speed ... oops! And I knew exactly what to expect — as far as "consequences" — but yet couldn't — well I did get out alive, didn't I? What I'm trying to say is, WOW! What an "experience" that was! But really ... that wonder-fully terrifying experience wasn't worth the expense of loosing-out on all the wonder-ful experiences I missed-out on with you all. Sorry, you guys. Here's something I learned though: If your eye be single — if you are totally focused on some purpose in your life, whether it be Love, work, school, hobbies, pets, kids, etc. — if you are so engaged in a some purpose in your life, then the vices of boredom can't have much power over your life. What is your purpose?

All I know so far is that Will's purpose is to provide for his wife and kid - as a government employee with all the benefits.)

Yashua, you said something about the Ministry, right? That is a good way to share your Love of God with others, but it doesn't exactly pay the bills, does it? Do you have any vocational skills or ambitions? Do you tattoo well? Train horses? Wrench on motors? What do you do with your hands son... how do you make your money (legally)?

Roofing companies/contractors usually pay cash for laborers and Moving companies will let you leave your name and number for the long-haul drivers to call you to help them load or unload their trailer - for cash. And... what else is there... are you a computer genius who can hook things up for other people? An electronics genius?

I hope you don't feel that this doesn't concern me, because I am genuinely interested in what you can do and if there is anything I can do to help? Do you want to go to Montana and maybe work on the oil and/or gas drilling rigs? It's hard work - but I know people who might help get you started up yonder.

Destiny, what about you, sweetie? What are your ambitions in life? I really wish you'd curl-up next to me and tell me all about your dreams and desires.

I love you all so very much and wish you all the very best.

Be Blessed.
