WAKE UP You all are still a sleep and this is why MADNESS is still on THE Plate that we all continue to eat FROM, I GUESS ITS BETTER to sleep in a DREAM than Face the heartless COWARDS we MUST FACE EVERYMORNING before we START OUR Day. ----- Now ain't THAT a Shame?

To The People...

I know many who READ this must be like THAT'S how he feel because THE FACE he look at EVERYMORNING! And I say you might SEE I'm ON MAX Behind THE COOK is what we call it in DA'gate. See there is no mirrors so when my cell light come on you know THE FACE I SEE, ha ha... Its one OF THESE RED OR Purple Face CRAP comes in CRAP STAVE brown uniform's say in good morning. They smile and all you see is brown stain tobacco ate up TEETH, seem like the TEETH ain't seen a toothbrush in nine years. You think THEY ain't COWARDS...

Man who beat men in chain and shackles? Then they still come two or three deep.

IF you come out your cuff's on THE behind. OMG... You get in grasser and a out side case. But its all good when they beat you to sleep near death, they get no outside case... No, they get Pat's on THE back and throw high Fives like they did some manly CRAP. Now you got write up's and your Family swear your NOT TRY'N to do better... I shake my head only to think little do they know WHAT WE FACE at the hand's OF COWARDS...

Is It For gettin THAT we too bleed? THAT we are Father's, Mother's, Son's, Daughters, Grandfathers, Grandmothers, and much more. MAY WE DID a crime and got caught. This is our time to build up to go out with sorrow and the will to do better, but instead going THROUGH so much UNLAWFUL treatment and struggle in a place THAT only OFFER you more REASON to have RAGE and Hate in THEY HEART due to treatment by these people THAT go home into the free world daily with love ones only to say they taught a 73 or 21 year old a lesson or two. WHAT IS THE LESSON THEY'RE taught?

My only answer..... IS THAT THEY ARE COWARDS AND SO ARE THOSE who support this system of so-call Justice.....

I'm all ear's IF you feel MY Pains OR

IF you feel ITS RIGHT? TELL US HOW.. AN.. WHY
