

"Reunions"

Dear blogs users;

Does anyone know any of the people on this list. It's been 25 years since our last contact. Some are old friends and immediate family. All of them reside in California some where. If you can help me locate them I would be very grateful. The first "5" on the list live in Sacramento, California. Thank you so much for your assistance.

1. Reggie Collins = Brother
2. Mike Fletcher = Best friend
3. Diane Majoria = Sister
4. Cindy Pockrandt = Sister
5. Kathy Roth = ex-girl friend
6. Ray Mullen = friend
7. Jeff Johanneck = friend
