Man I knew that I knew something was fucked up but I didn't want to believe that I could be a fool. Proof in hand it stank I got your real bor real placed. You call yourself a minister of God, but you straight broke your word to me. Nigga - you fuckin'. You crashed at a broads crib, debt your phone... And you got unsure to trip on me. Now what tha mad about was I was sleepin' that. Now it's in my face I'm stunned. You hide behind the Word is God & check me, but you out doing some foul. The difference between you & them they I mean up and tell me doin'. No wonder you out - you to busy you. You see there is treason in you... or chase pure dreams. real go getta... times over. I got a sharp mind & I seen
this shit coming I just didn't want to
believe it. You tell me you love
me but you creeping with beautiful.
PLEASE, finish me with excuses. You
know you bout dat don't you. What
you that I'd never find out & it'd be
all cleaned up by the time I land?!

I'm on my way home less than 50
days and you pull this stunt?! Man-
what a killer. Now man fo' real what
the fuck were you thinking. Yeah yo'
ain't been busy alright. Acting, schem-
ing and cheating. Damn that cold! Here
I am willing to ride or die wit'cha
& you do me dirt. Do you still deserve
my loyalty? Do you even deserve my
heart? Man-The Game is cold! So, your
letters were lies. Your emotions. What?
What ishe just a piece of ass until
I get home to be the minister's wife.
You supposed to be an Associate Pastor
and fucking someone you ain't married
to is a sin. You called yourself my
husband until about 6-8 weeks ago--

(that when you started fucking me b**ch)

PG5
ime Iive comfortable... I was so
willing its where my life, my dreams
& a future with you. Now... I am
thinking you dont deserve a woman
like me. I'll be sure Nakia sees
this before I post it. I guess you
were never my man ~~you~~ to busy
being other peoples man. Damn that
lilly! See, I already got things out
there for me to start off with.
I dont need a man but I wanted
you. Crazy, huh! You aint living right
James, not like what this day. What
did you expect I'd say? Or were
you hoping I wouldnt find out?
Thing down you wrote me.
"And you asked if someone out here has
my attention? Please! You can miss me
with that weak as game. If somebody
out there had my attention you wouldn't
be getting anymore letters from me."
What do you call
ing someone else... hah?! Now,
my game aint never been weak. Wanna
know why? Cause I aint never been

weak. Not by a long shot. DL Dots ^{to} go
to this... "You asked me what's important
to me. Let me be real with you. (~~my~~
~~important~~) As far as you and I are
concerned, it's important to me that you
conduct yourself as a minister's wife
should, because if you don't then I'm
not supposed to be qualified to be an
Associate minister in my church.

"Do I need to send you a list of things
I think you should do when you first
get out?" Does me being a minister's
wife mean I accept your lies & your
affairs? You're supposed to be in a relation-
ship with me & you screwing... those
are affairs. It's adultery! This the kicker
"Hold on! Hold on! I got to stop laughing.
Frances, I don't understand how you can't
see that I love you ^{so} deeply." Yeah, me
either. You can't have a wife that
argues with you about everything. I'm
not arguing. Shhh... don't talk-just listen.
I'm not ~~cheeve~~ by a long shot - you feel
like I've been abused by men all my
life. I'm strong & I've survived. So, let's
get something straight I ~~see~~ you doing you
out there. It looks good on ya!

I'm 32 fixing to turn 33. I'm going
to come home... I'm believing in the
~~God~~ I serve. Ima pull me together...
take care ob my business. I'm not gonna
lick my wounds... now, Pain that's what motivates me.
I'm motivated in a MAJOR way!
Holla... when... you... feel... me...

OK, so time to pick up my heart & straight
cans it through. Damn - I'm stunned!!!
Cold part is I'm all out of tears. Maybe...
Maybe... Maybe... Now, nothing!! You have
me to the point I'm ~~so~~ Numb - there's nothin'.
Stand up - like u know you can
sit like the ~~JEWEL~~ ^{JEWEL} you are
walk tall... like u the man
smile like u a movie star
u r what u think
so act like it...

You been doing this? Come on ~~to~~^{ty40} I'm
a woman. I'm used to a mans doggish
ways... I trusted you. I believed you.
For what? For fucking what? To have
your tendencies to be put on the
internet for all the world to see. Your
sister said you aint changed... She
would know. You took this as a game &
one you've played very well. I'll give
you that. Ima let you make it.
Man I dont want to ~~not~~ by a long
shot, but I'm going to. You got your
one. Damn. You did that - worse
you did me. A fool for you... But do
remember this... Ima be a "I" til
the day that I die. I don't pretend to
be something in the church & be
something else in the yard. Now,
I am me. I am INDEPENDANT thinking,
loving, compassion & real. I'm free
to do this. I got more game than the
game ob the streets... see you
should've asked someone ~~about~~^{about} me.
They'd told you that! I got my
hands in things that will help
