

Oakland Beat the Texans! 10/9/11

The texans quarterback should've ran
it in! He pulled some ol' Tony Romo
stuff. I'm diehard Cowboys fan but
Romo needs to go Kittle should
be QB or go get that free agent QB.
Well, if we gonna go to the superbowl
Romo gotta go! Brees brought them
back for a win. You know they got that
Doo-ga, boo-ga, boom, shaka, locka on they team
so they gonna get that come back. The eagles
lost again. And what the Chiefs won!
Colts lost... Mannings missing-(lol) Ok so
I'm bias... I gotta find out about
that boy Rogers & the cheese heads.
Of course my #2 team rides black
and yellow Big Ben Baby! OU dusted
US yesterday & UT! n That's Ok I'm

rocking green & gold - Sic em Bears!
Rgttt! I guess I'll have to scan my
other stations too before its over to get
ALL the news in sports today. Right
now Im alright knowing the Rangers
are gonna bring home the World Series
this year! Hey Josh Hamilton - ultimate
Story of change! God really does re-
markable. Well, Im just giving some-
thing different to ya. Y'all have a
good one---

Go Cowboys! Dem My Boys!
