

A PLAYER FROM A PEPSI GENERATION

By: Luis D. Perez

I have the chills OF DEATH
While I was thinking OF the NURSE.
Giving it a Lot OF GOOD thought AND
CONSIDERING RESOURCES,
Eliminated BARS AND ONE NIGHT
STANDS OR AFFAIRS.

CASA-NOVA FROM HABANA

Want ALL the shivers AND
Guivers to be after GOOD LOVING,
Just not that READY FOR A direct
approach.

DON JUAN

Preparations still have to be made
FOR blossoming. Want the heart
AND SOUL before the body.

From all of the above is
Where I'm coming from.

A PLAYER FROM A PEPSI GENERATION

Feel so sentimental, Sensitive
Right now, hairs RISING ON my Arms
and chills ON nape OF Neck.

I am in state OF anticipation FOR
shifting OF PRIORITIES who WANTING
to grab time and bite down
as hard as I CAN ON ALL
opportunities coming my way.

It is CASA-NOVA FROM HABANA !!!
