

Am I Ready

Oct. 13/2011

What am I ready for, the world  
That's what! I'm so ready to do  
the things I haven't done in forever.  
like go to the refrigerator & get fruit  
& vegetables. Or pick up the phone and talk  
to my family. Or even Email, IM, Text, or  
blog bc I want to. Make cd's of all my  
favorite songs! Drive a car & push that  
Titan that I hadn't pushed since '08.  
Maybe time to up grade the Titan (LOL)  
Time for cell phone, IPads, laptop, & may-  
be a fresh tattoo. Definitely a tattoo. I'm  
going to be @ church on Sundays; after  
getting up for a good breakfast & everything  
else I know what I'm ready for. I'm  
ready to see hi! Manni's grand parents.  
I'm ready to get my hands dirty  
in the flowerbed in front of the house
