Dear Reader/viewer,

Submitted herewith is my latest artwork: "Cleopatra - Girl Power!" — a portrait from ancient painting depictions of the Queen of Egypt. It should be noted that Cleopatra was of Greek (and quite possibly Amazon) ancestry.

My artwork is dedicated to the liberation and empowerment of women. — to the Daughters, Mothers, Grandmothers, Sisters, Aunts, and Nieces.

As always, I welcome comments, questions, or personal correspondence.

Death to patriarchy!

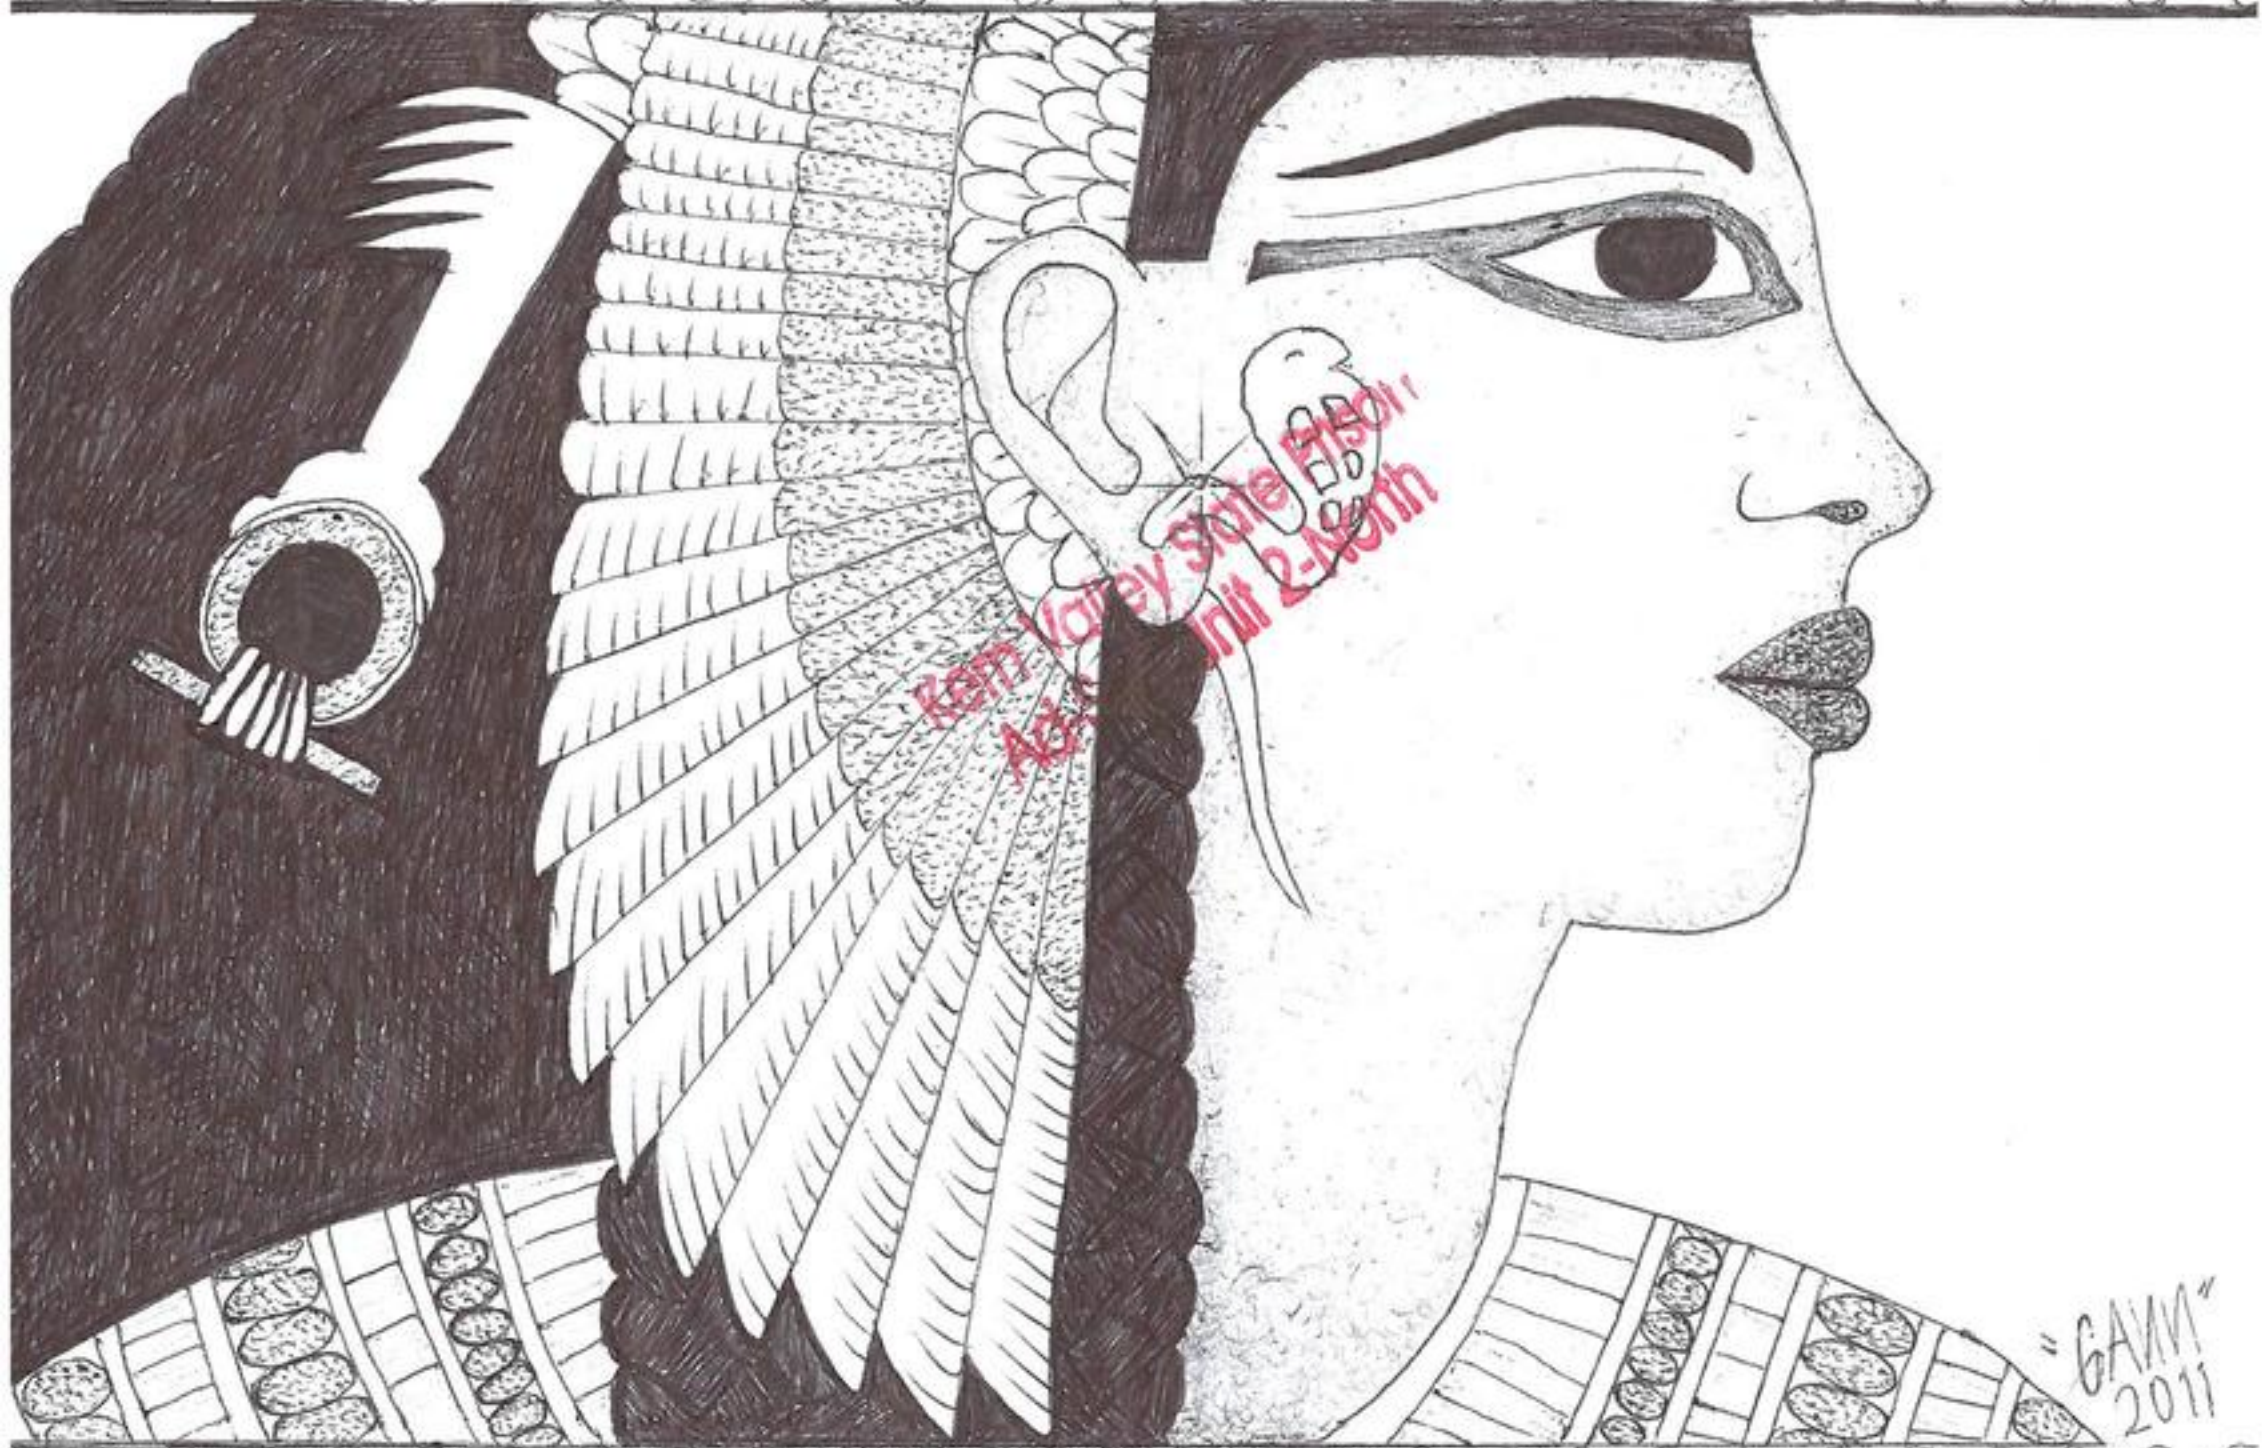

Viva las Amazónas!
