

*"Perspective's Better Half!"*

*Love bears, all pain!  
Charities work...  
Reinventing cold children;  
Turnin' Bambino's, into Bundles of Joy!  
Enception Loves Harvest;  
A place given to all!  
Divine Harmony,  
Perfects the moment!  
Into a Wonderful World...*

*We are all children of beatification!*

*Exhale...*
